

Outlaws Rob Several Teams In Alabama Tourney

Recently a baseball team made up of 13U boys from Estill and several surrounding counties traveled to Gulf Shores, Alabama to play in a tournament made up of teams from Alabama, Mississippi, Tennessee, Florida and Kentucky.

The Outlaws, led by Coach Ingram, entered the tourney on Saturday, winning both the games they played. The next day won the

first game which allowed them to be one of the teams in the championship game. The other team from Alabama was found out later to be a year-around travel team, and they looked and played the part.

The game was back and forth until the 5th inning when the opposing team hit a grand slam to go up by a score of 6 to 2. The Outlaws came back and tied

the game which propelled the teams into extra innings. The other team batted and went up by one run, but the Central Kentucky team came back and tied the game by a hard shot from Kamden Powell which subsequently became the winning run on a single to right field, and gave the Outlaws the championship.

Great game by two excellent teams!

8U Sky. Sluggers Pound Way To Championship

Coming off a season of 50+ wins and only a handful of losses, the Sluggers continued their winning ways in Alabama, along with the Outlaws, by defeating four excellent teams from several states while they run-ruled their way to prove their game is legitimate. The coach from the opposing team commented after the southern Kentucky team won the championship that he was awed by the team and their abilities. These boys that make up this team have played together for several years and are really baseball smart for their ages. The coach also commented that his team had never been run-ruled, and he had never seen any player hit the fence with a ball, and the Sluggers did it with back to back batters. Coach Resor and his staff do a great job of keeping it all in perspective, fun with work.

Congratulations go out to both of these teams for a long trip, two days of hard fought baseball, and two championship rings that would rival any World Series ring and probably mean more to these boys than to

the major leaguers.

Kamden's brother **Kooper Powell** is a member of this 8U Slugger Team who plays short stop. The parents of the boys are Ryan and Melissa Powell, accompanied by their sister Ramzee and grandparents Don and Pattie Richardson. The boys' other grandparents, who were not able to make the trip, are Marshall and Teresa Powell. *Long trip, short stay, but a pleasant ride home with the hardware.*

Garrett Holloway is also part of the Southern Kentucky Sluggers that traveled down to Orange Beach, Alabama for a Road to the World Series Tournament and won. Garrett is the son of Brandon and Kelley Holloway of Irvine. This is Garrett's second year with the Sluggers and second year they have traveled to Orange Beach, to play in the USSSA tournament. They played against teams from several states and won all four games they played in. The Sluggers won Gold USSSA championship rings along with a team trophy.
