Maudie's Naughties

Seduction

A frail, little old lady walks into the police station and says, "Help, I was taken advantage of by a tall, dark, handsome man!"

The cop says, "When?"
She says, "Twenty-three years ago."
The cop says, "What are you telling me now for?"
The little old lady says, "I just like to talk about it once in a while."

Lost in the Gorge

One day, Stupid, Trouble, and Shut Up are hiking in The Gorge when Trouble wanders away from the trail and they can't find him. Well, Stupid and Shut Up do not know what to do so they go to the ranger station. When they get there the ranger asks them their names.

"Shut Up," replies Shut Up.
"Stupid," replies Stupid.
"Excuse Me!" shouts the ranger.
"Shut Up!" "Stupid!"
The ranger is very riled.

He then asks, "Are you looking for trouble?!!!"
Stunned at the idea of the ranger knowing that they are looking for their friend, they reply, "Why yes, how did you know?"

Ride Home

Cowboy Joe gets paid every Friday and immediately rides into town to a bar where he gets plastered, then stumbles out to his horse and rides home.

A couple of his fellow cowhands decide to play a trick on him. While he's in the bar, they turn his horse around; then they sneak back into the bar for a couple more rounds.

The next morning, a bucket of cold water thrown on Joe brings him around and he gets up ready to go back to work.

"How was your ride home last night," asks one of the pranksters?"

"Not so good," replies Joe. "Somebody sneaked and cut my horse's head off last night, and I had to pull him all the way home with my finger in his windpipe!"

Science Question

If H₂O is on the inside of a fire hydrant, what is on the outside?

..... K9P

Cycle Accident

Two guys are riding up the road on a motorcycle. The driver wears a leather jacket turned around backwards to block the air. They enter into a sharp curve where the driver loses control and wrecks.

An old farmer who lives nearby calls in the accident.
"Are either of them showing any signs of life?" asks the emergency operator.

"Well, the driver was," answers the farmer, "Until I turned his head around the right way."

Fire School

Farmer Green's wife calls up Ma one day to ask about their cousin Trudy who has enrolled in fire fighting school. "How's she doing," asks Mrs. Green. "I haven't heard from her."

"Well, she was doing pretty good," replies Ma. "Until the class on fire extinguishers. Trudy has a problem pulling the pin. So, the instructor tells her, 'It's just like a hand grenade.' Trudy jerks out the pin and throws the extinguisher at the fire."

Four Alarm Fire

Two fellows are sitting in a restaurant . . . suddenly the city's fire alarm goes off . . . one jumps up and heads for the door.

His friend shouts, "Hey, Tom, I didn't know you were a fireman!"

Tom replies, "I'm not, but my girlfriend's husband is . . ."

States

Pa is helping Little Julie with her history homework and has her to name all of the states. She comes up with 40 but can't think of any more.

"Well, in my day," says Pa. "I could name every one of them!"

"Yeah," replies Julie, "But there were only 13 them!"

Trapped on the Second Floor

Trixie and Mitzie are living on the second floor downtown when a fire breaks out in the business below. Mitzie is at work, but Trixie is at home and is trapped by the fire below. Firemen rush to the scene where they coax Trixie onto the window ledge and tell her to jump into a blanket they are holding.

"No way!" says Trixie. "You guys pulled that trick on me last summer at the beach . . . Just lay the blanket on the ground and I'll jump into it!"

Letter to the Editor

Thanks from Food Bank

The Estill County Community Food Bank would like to express their appreciation to everyone who worked with or contributed to the recent Post Office Food Drive and/or to the Relay for Life. We received a wonderful response at both events and are grateful to each one who made these events a success. Our community is rich in the spirit of helping one another and your generosity has proven that true once again. Thank You!!

Join the excitement of the Fifty Mile Yard Sale

The Fifty Mile-Hwy 52 Yard Sale is coming up with the approach of the Fourth of July weekend. The official dates are Friday and Saturday, July 1st and 2nd. We expect there will be a lot of shoppers stopping at the roadside yard sales and flea markets from the intersection of highways, 52 and 30 in Breathitt County near Jackson and proceeding along Hwy 52 westward through the Elkatawa, Oakdale, Athol, Tallega, Monica, St. Helens, Beattyville and Bear Track communities. The route of the sale takes it through Ravenna and Irvine in Estill County and on down Hwy 52 to the Madison County line. Communities through Bybee and Waco and on to Richmond are welcome to participate.

The watchword is Caution! A lot of shoppers and sightseers will be pulling off the roads to look for bargains before rejoining the flow of traffic. Shoppers and bargain hunters will be able to find everything from antiques, hot food and apple pies and fresh ground meal to tools and hundreds of flea market items. In a time of a down economy a lot of folks will have the opportunity to convert truckloads of surplus items to some ready cash.

The sale began in 2005 as the brainchild of State Representative Ted Edmonds, Linda Smith and Joanne Dunaway.

Come on out and join the fun. Buy, sell or trade and visit old friends.

Submission To Authorities

1 Peter 2:13-17
"13 Submit yourselves to every ordinance of man for the Lord's sake: whether it be to the king, as supreme; 14 Or unto governors, as unto them that are sent by him for the punishment of evildoers, and for the praise of them that do well. 15 For so is the will of God, that with well doing ye may put to silence the ignorance of foolish men: 16 As free, and not using your liberty for a cloke of maliciousness, but as the servants of God. 17 Honour all men. Love the brotherhood. Fear God. Honour the king."
