# Maudie's Naughties

**Swim Race**  
Trixie is down at the "Y" swimming pool where she enters into a breast stroke race against two other girls. The starter's gun goes off and the three girls dive into the pool. The other two girls shoot across the pool and get out; 20 minutes later Trixie reaches the end and gets out. The judge awards the gold and silver medals to the other two girls; then hands the bronze medal to Trixie. "I don't want to be a sore loser," says Trixie, "But those other girls may have cheated." "How's that?" asks the judge. "I think they were using their arms."

**Hail Storm Damage**  
Mitzie gets caught out during a bad hail storm where hail stones the size of golf balls dent her car up pretty badly. The next day, she calls a nearby repair shop to ask about having the dents fixed. The repairman knows her and decides to have a little fun. So, he tells her that if she'll blow into the tailpipe really hard that the dents will just pop out. She goes outside and is blowing hard into the tailpipe when Trixie shows up. "What in the world are you doing?" asks Trixie. Mitzie tells her what the repairman told her to do. "Duh!" says Trixie. "You've got to roll the windows up first."

**Engine Problems**  
Trixie coasts her BMW into a gas station. She tells the mechanic, "It died." After he works on it for a few minutes, it's idling smoothly. She says: "What's the story?" He replies: "Just crap in the carburetor." "How often do I have to do that?" she asks.

**Million Dollar Question**  
On a famous TV game show Mitzie needs only to answer one more question. One simple question stood between her and ONE MILLION DOLLARS! "To be today's champion," the show's smiling host intones, "Name two of Santa's reindeer." Mitzie gives a sigh of relief, gratified that she had drawn such an easy question. "Rudolph!" she answers confidently, "and... Olive!" The studio audience starts to applaud (as the little sign above their heads says to do) but the clapping quickly fades into mumbling. The confused host replies, "Yes, we'll accept Rudolph, but could you please explain... 'Olive?!'" "You know," says Mitzie as she begins to sing, "Rudolph the Red Nosed Reindeer had a very shiny nose. And if you ever saw it, you would even say it glowed. \*Olive,\* the other reindeer..."

**New Hunting Dog**  
Junior and Howard are at the dog pound looking for a hunting dog for Howard. Junior points at one cage and says, "Howard, look at that dog with one eye!" Howard covers one of his eyes and says, "Where?"

**News Time**  
Pa is watching the 6 o'clock news with Junior and Howard. The news is about a man about ready to jump off a bridge. Pa knows Junior has a \$10 bill from helping Howard's dad put up hay, so he turns to him and says, "I'll bet you a sawbuck the man is going to jump." "Junior replies, "Okay, you're on," and pulls out the ten. Howard jerks out his \$10 bill, too, and says, "I want a piece of this action!" Sure enough, the man jumps, and Junior and Howard hand Pa the tens they earned hauling hay. Pa says, "I can't accept this money. I watched the 12 o'clock news and saw the man jump then." "No, you keep it," says Junior. "We watched the 12 o'clock news, too. We just didn't think he was dumb enough to do it again."

**Soft Drink Machine**  
Trixie walks up to an Ale-8 machine, puts a dollar in, presses the button, a can comes out, she says "wow!" So, she puts another dollar in, presses the button and another can comes out. She keeps doing this over and over again. Soon enough there are about 30 cans all stacked around her. A guy comes up to her and says "Can I get one before they're all gone?" "Not now," she replies, "I'm winning!!!"

# The New America

Well, if you are looking for hunting and fishing, this column doesn't have it. This is one where I go off the tracks a bit. Just following Gods lead!

**1st Peter 5:8:** "Be sober; be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour."

I am afraid we are seeing the New America with the recent bombings and stabbings. Our enemy is radical Islam and it's here to stay. Our government leaders have either been asleep at the wheel or complicit.

We have come to expect terrorists to target big cities. My fear is a small town America will become the new target. The shock factor would be huge if a small town church gets hit by terrorism. We are living in scary times.

We thought IED's only existed in Iraq and Afghanistan. I am afraid we will see IED's coming to the New America. We must become vigilant, because evil is here and it is coming this way.

I believe God has lifted his hedge of protection from America because we have removed him from America. America has become a place of where, if it feels good then it's ok. God has become out-cast.

The beauty in all of the craziness going on in the world is, God is in control. All the stuff we are seeing has to go down. Prophecy has to be fulfilled. The end is just around the corner or I should say a new beginning is just around the corner.

We must be sober and stand vigilant in these days and times. Don't be afraid to stand against evil and evil doers. Tell everyone you know about Jesus. The times we are living in, everyone needs to know about Jesus.

The thing that makes me smile in all the chaos is, I will be made new one day. No more tears, no more hurt. I will get to worship a Savior on the streets of gold. The thing that makes me sad in all the chaos is, many will be left behind. They will be gnashing teeth and begging for a drop of water.

People probably think I am crazy for saying the end is near. I know God is not going to put up with much more of this. So you'd better get right so you don't get left.

Until next week, get out and enjoy God's creation!

**Caterpillar Host Plants**  
Host plants are plants that caterpillars eat before they become butterflies. For example, monarch butterflies will lay eggs on milkweed leaves so the caterpillars have something to eat when they hatch. Host plants are important. Visit [thebutterflysite.com](http://thebutterflysite.com) for more information on what to plant.
