by **MIKE WISEMAN**  
Estill Tribune Sportswriter

The Lady Engineers entered the new year two games above .500 after dropping two of their three contests in the Citizens National Bank Classic hosted at West Jessamine High School.

The ladies started the tourney on a good note with an opening round win over Harrison County, 56-41. After a slow opening quarter, Estill would dominate the remainder of the game as senior guard Kaley Treadway would connect on 5 three pointers and lead the team with 17 points.

Stats: K. Treadway 17 pts, S. Brewer 6 pts, 3 reb, 3 asst, 3 stl, M. Bellamy 8 pts, K. Flynn 7 pts, M. Flynn 7pts, 8 reb, S. Danyeur 6 pts, T. Duechle 4 pts, M. Hale 2 pts.

Estill would face the host team in the second game and find the going a little tougher. Behind Treadway and Bellamy's seven, first-half three-pointers, Estill would find themselves with a six point lead at the half. West Jessamine would know who to guard in the second half and shutout the long range guard duo in the second half. The Lady Engineers would be out scored by eleven points

in the third quarter and with the help of 20 turnovers for the game, Estill would drop this one by the score of 63-52.

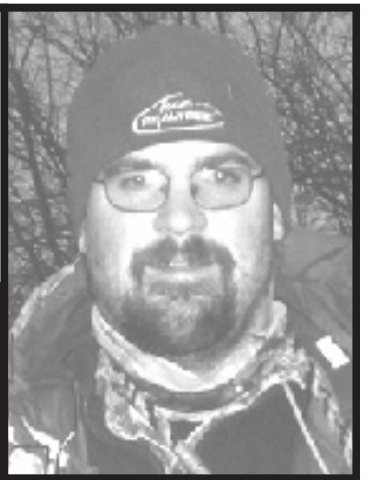

Stats: K. Treadway 14 pts 4 asst, S. Danyeur 13 pts, 9 reb, M. Bellamy 9 pts, 4 asst, M. Flynn 6 pts, 4 reb, S. Brewer 8pts, T. Duechle 2pts. In the final game of the Classic, Estill would face Collins and try to win two of three for the tourney. The Lady Engineers could not overcome 39 free throw attempts by Collins and fall in this one by the score of 67-57. Sophomore guard Megan Bellamy would lead the team with 20 points as

she connected on four of five three pointers in the game. Stats: M. Bellamy 20 pts, M. Flynn 14 pts, 11 reb, S. Danyeur 13 pts, 12 reb, K. Treadway 5 pts, 5 asst, S. Brewer 5 pts, 5 asst.

The Lady Engineers will return to action on Friday night as they take to the road to face Hazard. They will return home to face Jackson County on Saturday afternoon at 3:30. They go back on the road on Monday night to face Madison Southern. Come out and support these hard working young ladies as they strive for a district championship. GO BIG BLUE!!!!

# False Pointers

Over the years, I have had some great bird dogs and I have some that couldn't smell a quail if it was in their food dish!

One type of dog I had was the false pointing kind. These dogs would lock up on point and I would get excited that they had a covey pinned down. I would walk in front of them and nothing. No quail not even a sparrow. They would do this over and over. This type of dog produces a whole lot of nothing! I would get rid of a chronic false pointing dog faster than a speeding bullet!

I had this beautiful white setter dog years ago. This dog was a heart stopper on point. Tail was 12 O'clock straight! Intense on point but was a chronic liar on point. Now that dog was an eye catcher and an unbelievable pedigree. I guess that's why I hung onto the dog longer than I should have! I should have sent that dog packing a long time before I did. It looked like the perfect bird dog to the eye but it never produced anything good.

In **Matthew 7:15-20** it says, *15 "Beware of false prophets, who come to you in sheep's clothing, but inwardly they are ravenous wolves. 16 You will know them by their fruits. Do men gather grapes from thornbushes or figs from thistles? 17 Even so, every good tree*

*bears good fruit, but a bad tree bears bad fruit. 18 A good tree cannot bear bad fruit, nor can a bad tree bear good fruit. 19 Every tree that does not bear good fruit is cut down and thrown into the fire. 20 Therefore by their fruits you will know them."*

There are a lot of false teachers out there. We must study the Holy Word of God so we can discern false teachers. There are false teachers who sound good and might even draw you in. The fruit these false teachers produce is bad. A few false teachers that come to mind are David Koresh and Jim Jones. People followed these two to their death. Don't let your bible be a dust collector! Read it! Study it! Know it!

Until next week, get out and enjoy God's creation!

**Birding by Ear**  
It's a lot of fun to bird by ear. One of the great benefits — besides impressing friends — is that no matter where I go, it's always a familiar place because of the birds. I learned a lot by listening to the "Stokes Field Guide to Bird Songs." Maybe it can help you, too.

# Engineers Take 9-4 Record into 2017

by **MIKE WISEMAN**  
Estill Tribune Sportswriter

Despite losing two of three games in the Cumberland Falls Invitational Tournament, the Engineers still hold a nice 9-4 record as they head into the new year.

The Engineers would hang on in the opening game and put one in the "W" column with a thrilling 55-52 victory in overtime against Barbourville. The second game would see Estill run into a much tougher oppo-

nent. The Engineers would take it on the chin, 87-62, losing to the host team, Corbin. In the final game of the holiday tournament, Estill would face Freedom (Orlando, Florida) and drop the much closer contest by the score of 71-67.

The Engineers will return to action this Friday night on the road to face Jackson County but will return home on Jan. 10 to face Garrard County. Come out and support the Engineers. GO BIG BLUE!!!

The Estill County Engineers' top scorer, junior guard Caleb Bonny, #22 white, is heavily guarded by nearly every team Estill plays as he was by the East Carter Raiders.
