6 Pointer of Faith

From the Movie Facing the Giants--"There were two farmers who desperately needed rain, and both of them prayed for rain. But only one of them went out and prepared his fields to receive it. Which one do you think trusted God to send the rain; the answer the one who prepared his fields for it?"

I thought about this quote after a deer hunt with my boys last week. Jake, Josh and myself had planned on getting a few hours of hunting in before Wednesday night church. The weather man called for rain. We decided to hold off until rain moved and just set up a blind.

We headed out on the farm to set up a blind. Jake always says a prayer before we go out to keep us safe. I took the rifle in case we did see a deer. I figured the chances of seeing a deer were slim to none and none had left town. Jake and Josh however had faith we would see a deer. They were right! As soon as we got out of the truck a doe was about 75 yards looking at us. She took off and we headed over the hill to set up blind.

You see the boys and I are always saying "deer" when there is no deer. Just to get the others worked up and looking. It almost always works to fool one of us to look for a deer. Well we were being loud setting up the blind when Jake says, Dad there is a buck right there. I responded, whatever! He says, really, there is a buck. Once again, I respond, yeah whatever.

Then Josh, it's a buck. So, I look up and 50 yards from us across our pond stands a 6-pointer looking right at us.

I handed Jake the rifle and told him to shoot it. The buck looks at us then puts his head down and starts eating. I am just amazed! Jake steadies on him, pulls the trigger and hits his mark. He runs about 30 yards and drops. I look at Josh, he has tears flowing because he didn't get to shoot the buck.

The buck is laying up in the woods and raises his head. That's when Josh got to deliver the shot that finished him off. The buck would have died in a bit, but it made Josh happy to be part of it.

Our little outing made my deer season! It doesn't get any better than just being out in God's creation with my kids. Add a buck of faith harvest and that just makes it that much better.

Our outing made me think about Faith. How many times do we pray for something but don't trust God enough to answer the prayer. My boys had the faith we were going to see something. We did see a buck. We saw a buck that sat and watched us at 50 yards and could care less we were watching him. I have a story about a buck of faith. The Good Lord put that buck in the right place at the right time to teach this old guy a lesson on faith! Glory be to God! Luke 17:5, The apostles said to the Lord, "Increase our faith!"

Until next week get out and enjoy God's creation!

The Bicknell brothers draw blood but not from each other this time! Josh and Jake.
