The River City Players will be presenting "The Rented Christmas" on Friday, December 9th at 7:00 p.m. and again on Saturday, December 10th @ 3:00. Both performances will be at the Estill County High School auditorium. Tickets are \$10.00 for adults, \$5.00 for students 6-18, and five and under is free. "John Dale hasn't enjoyed a 'real Christmas' for years. So, on the spur of the moment, he decides to 'rent' a Christmas from Anne Weston, who owns the local rent shop. Anne is at first flustered with the requirements: a tree with presents, Christmas carols and also a wife and five children. Anne feels she has solved the problem of a Christmas family by calling the actors' guild. But the young actors come down with the measles so she turns to the local orphanage. When the guild can't locate a 'mother,' Anne steps in to play the role herself. Based on the short story by J. Lillian Vandervere, the story of how John Dale's rented Christmas turns into a new life for all concerned makes this a warm story for the holiday season."
