

# Estill Middle Youth Service Center hosts Family Fun Night

The Estill County Middle School Youth Services Center hosted the annual Christmas Family Fun Night on December 5, 2017. During the evening families enjoyed a meal together and then were treated to a Christmas movie and popcorn. While children enjoyed the movie, parents were invited to visit our Santa Workshop where they were allowed to select two toys for each child in their household. ECMS Staff members and their families volunteered at the event and assisted parents in selecting gifts for their children and wrapping the gifts. Pictured are Samantha Rawlins and her children, Karlie and Samara, who carefully wrapped each gift.
