## News

### Estill Co. student graduates from MSU "Craft Academy"

Morehead State University's Craft Academy for Excellence in Science and Mathematics held its first graduation Saturday, May 13, at Button Auditorium, and an Estill County student was among the graduates.

A total of 55 students representing 33 counties from across the Commonwealth of Kentucky were recognized the ceremony including from Estill County, Elizabeth Gayle Hereford, daughter of Marvin S. and Rebecca Hereford, from Hereford Home School. She plans to attend Morehead State University.

"Today is a day of celebration for Craft Academy graduates and their families," said Dr. Wayne D. Andrews, MSU president. "This inaugural

graduation for the class of the Craft Academy marks an exciting moment in Morehead State University's history. These young people are well prepared for the next steps in their preparation for leadership in STEM careers."

The Craft Academy for Excellence in Science and Mathematics opened in August 2015. Joseph and Kelly Craft of Lexington initially pledged \$4 million in support of the Academy, which was the single largest cash gift in the history of the University.

Additional information on the Craft Academy for Excellence in Science and Mathematics is available by calling Dr. Christian at 606-783-9025 or visit www.moreheadstate.edu/Craft-Academy.
