FEAR KNOT

By: rj johnson

DOUBT? ... OR DARE!

UNSCRAMBLE these twelve letter strings to form each into an ordinary word (ex. HAGNEC becomes CHANGE). Prepare to use only ONE word from any marked (♥) letter string as each unscrambles into more than one word (ex. ♥RATHE becomes HATER or EARTH or HEART). Fit each string's word either across or down to knot all twelve strings together.

Even Exchange

by Donna Pettman

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.

Salome's Stars

ARIES (March 21 to April 19) Recently obtained information could open a new opportunity for a career change. But temper that Arian impatience and act on it only when all the facts are made available.

TAURUS (April 20 to May 20) You're moving into a more active cycle. So put your ideas back on the table, where they'll be given the attention they deserve. Expect a favorable change in your love life.

GEMINI (May 21 to June 20) A friend might ask for a favor that you feel would compromise your values. Best advice: Confront him or her and explain why you must say no. A true friend will understand.

CANCER (June 21 to July 22) A relationship continues to develop along positive lines. Meanwhile, a brewing job situation could create complications for one of your pet projects. Look into it right away.

LEO (July 23 to August 22) Your interest in a co-worker's project could lead to a profitable experience for you both. But before you agree to anything, be sure to get all your legal I's dotted and T's crossed.

VIRGO (August 23 to September 22) Be careful whose counsel you take about a possible long-distance move. Some advice might not necessarily be in your best interest. Stay focused on your goals.

LIBRA (September 23 to October 22) Someone might try to complicate efforts in an attempt to work out that confusing job situation. But don't let that keep you from sticking with your decision to push for a resolution.

SCORPIO (October 23 to November 21) A disagreement on how to handle a family problem could create more trouble for all concerned. Look for ways to cool things down before they boil over.

SAGITTARIUS (November 22 to December 21) An unexpected change in long-standing workplace procedure and policy could provide a new career target for the Archer to aim at. Start making inquiries.

CAPRICORN (December 22 to January 19) You're finally able to get back into the swing of things, as those temporary doldrums begin to lift. Expect some surprising disclosures from a new colleague.

AQUARIUS (January 20 to February 18) Rely on your innate sense of justice to see you through a dilemma involving a family member. Other relatives who've stood back soon will come forward as well.

PISCES (February 19 to March 20) A new friend seems to be pushing you to take risks - financial or otherwise. Best advice: Don't do it. They might have a hidden agenda that hasn't surfaced yet.

BORN THIS WEEK: You love to see new places and meet new people. Have you considered working for an airline or cruise-ship company
