In the Storm

"Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. 25 The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock. 26 But everyone who hears these words of mine and does not put them into practice is like a foolish man who built his house on sand. 27 The rain came down, the streams rose, and the winds blew and beat against that house, and it fell with a great crash."

-- Matthew 7:24-27

I was struggling on what to write about this week when this scripture crossed my mind. Maybe it's just me, but it sure seems like we have got a lot of rain here lately. There were even threats of severe storms. Well, anyway, the Lord put this on my heart to write about. Hopefully it helps someone out there struggling.

The wise and foolish builder is some of my favorite scripture. It doesn't matter if you're a Christian or not the storms are a coming. They can show up on the radar of life from mild to severe. It can come in the form of a lost job or death of a loved one. I can guarantee 100% chance of life storms, unlike the weatherman who is wrong

80% of the time.

There are ads on tv and radio asking are you prepared for storms. Do you have flashlights, batteries, water, medical supplies etc. Things one will need to weather the storm and still be standing afterwards. Do you have everything you need when the storm hits? Well, I am probably not the best prepared for a bad weather event. My preparedness consists of going to the basement when a bad storm is on its way. I will have a flashlight unless the boys haven't lost it or ran the batteries down. With that statement, we probably won't have a light. We will be in the basement in the dark.

I am however prepared for life storms. My house is built on the ROCK JESUS CHRIST. When the storms come and I know they will, I am ready. The alternative is having a house built on sand. When the storms hit the house on sand you will be washed out to sea.

The best way to be a prepper for life storms is #1 Accept Jesus as your Savior. #2 Read His word the Bible. #3 Pray without ceasing. You do that and you will be prepared for the storm. When the storm clears you will still be on the ROCK!

Are you prepared? Until next week, get out and enjoy God's creation!

GRIN AND BEAR IT
