New pastor at Calvary Baptist

Calvary Baptist in West Irvine, located at 21 Glory Street, would like to introduce our new senior pastor, Marc McLean. Marc, his wife Amy and their kids, Abby, Emily and Mason, are originally from Lexington, but have been serving in the ministry in Phoenix, Arizona for the past six years. Marc brings with him a great knowledge of God's word, a heart for people and a desire to reach our community for Christ and to minister in many areas. Amy will be working with Tamara Rose C.P.A. and is also excited to join our community. Their youngest kids will attend Estill county schools while their eldest, Abby, will remain in Arizona. Please join us in welcoming the McLeans to Irvine! We will have a special service on Sunday July 9 at CBC beginning at 11:00 a.m. and want to invite you all! A potluck meal will follow the service. Come meet them, worship with us and celebrate what God is.

NO DOGS ALLOWED! The Estill County Fair 4-H Pet Show went on as usual on Monday, July 3, 2017 with various entries from cats, goats and rabbits; however, no dogs were allowed this year because of the danger of "canine flu" being spread. The Estill County Tribune covered its 36th Estill County Fair pet show on Monday.
