Jackson Energy Warns About Phone Scams

Phone scammers are at it again. Jackson Energy officials says co-op members have reported receiving phone calls telling them their electricity will be disconnected unless they pay their bill immediately over the phone with a debit, credit or prepaid card.

"The thieves are also getting more creative," says Jackson Energy Manager of Member Services Karen Combs. "Members said the

incoming phone call shows up as Jackson Energy on the caller ID."

Combs says if you receive a call from someone claiming to be with Jackson Energy and demanding immediate payment, hang up. If you have any questions or concerns about phone calls you receive, contact Jackson Energy at 1-800-262-7480. Beware and don't fall victim to phone scams.

Robinson Commends Estill Grant

Senator Albert Robinson, (R-London), commended the recently-approved grant for the Estill County Fiscal Court, awarded by the Kentucky 911 Services Board. The grant, totaling over \$100,000, will help with the replacement of the existing aging Computer Aided Dispatching (CAD) system.

"This grant was much-needed in Estill County to properly provide our residents with 911 services", said Senator Robinson.
