Even Exchange

by Donna Pettman

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.

Salome's Stars

ARIES (March 21 to April 19) A turn in a relationship upsets the amorous Arian, who is puzzled by Cupid's romantic antics. Be patient and considerate. The confusion soon will sort itself out.

TAURUS (April 20 to May 20) It's a good time for travel-loving Taurians to take off for fun-filled jaunts to new places. And don't be surprised if Cupid tags along for what could be a very eventful trip.

GEMINI (May 21 to June 20) You appear to be of two minds about continuing a relationship that seems to be riding roughshod over your emotions. A frank talk could help you decide one way or the other.

CANCER (June 21 to July 22) Stepping back from a relationship problem provides a fresh perspective on how to deal with it. Meanwhile, watch your words. Something said in anger now could backfire later.

LEO (July 23 to August 22) A changing situation makes the Big Cat uneasy. But hold on until things settle down around the 5th. Meanwhile, continue your good work on that still-unfinished project.

VIRGO (August 23 to September 22) A decided improvement in a workplace situation results in an unexpected, but very welcome, added benefit for everyone. Personal relationships also improve.

LIBRA (September 23 to October 22) Money matters remain a bit unsettled but soon will ease into the kind of stability you appreciate. Meanwhile, an expanding social life offers a chance to make new friends.

SCORPIO (October 23 to November 21) Use an unexpected roadblock in your monetary dealings to reassess your financial plans and make changes, if necessary. It soon will be smooth sailing again.

SAGITTARIUS (November 22 to December 21) Aspects of love are strong for both single and paired Sagittarians. Professional dealings also thrive under the Sag's clever handling of difficult situations.

CAPRICORN (December 22 to January 19) Set a realistic goal and follow it through to completion. Remember: You're more likely to impress the right people with one well-done job than with lots of jobs left undone.

AQUARIUS (January 20 to February 18) You like to plan ahead. That's fine. But be prepared to make some changes because of an unsettled period that influences your aspects through the 5th.

PISCES (February 19 to March 20) A brief phase of instability affects your usual work cycle. Use the time to catch up on chores around the house or office. Things settle down soon after the 5th.

BORN THIS WEEK: You love being the center of attention and probably would be a big success in show business.
