

# Six Estill students named Sen. Jeff Green Scholars

Six 2017 graduates of Estill County High School have been named Senator Jeff Green Scholars by the Kentucky Higher Education Assistance Authority (KHEAA). To earn this honor, a student must have a 4.0 grade point average each year of high school and at least a 28 composite on the ACT.

Local scholars are Kaylee Collins, Kennedy Horn, Bradley Kirby, John Stickney, Sarah Thacker and Abby Winkle.

These students have also earned \$2,500 a year in Kentucky Educational Excellence Scholarship (KEES) awards. If they keep their grades up in college, they will have \$10,000 to use toward a four-year degree. The designation honors the late state Sen. Jeff

Green of Mayfield, who served in the Kentucky General Assembly from 1992 to 1997.

KEES and other Kentucky student aid programs are administered by KHEAA. KEES awards are funded by net Kentucky lottery proceeds and may be used at most colleges and universities in Kentucky. In some cases, the award may be used at an

out-of-state school if the major the student is pursuing is not available in Kentucky. No application is necessary for KEES awards.

For more information about Kentucky scholarships and grants, visit [www.kheaa.com](http://www.kheaa.com); write KHEAA, P.O. Box 798, Frankfort, KY 40602; or call 800-928-8926, ext. 6-7214.

**PV2 Justin McCormick** recently graduated BCT (Basic Combat Training) at Fort Jackson, South Carolina. While there, SITs (Soldiers in Training) were put through rigorous drills to prepare them mentally and physically in the event of war. Upon completion on BCT, soldiers left for their AIT (Advanced Individual Training) station. PV2 McCormick will be serving his AIT at Fort Lee, Virginia. Once he completes AIT, he will be qualified as a HVAC/Mechanic. PV2 McCormick is a 2017 graduate of Estill County High School. He is the son of Jeffery and Jennifer McCormick of Irvine.

Helping Hands Outreach has been reaching out to the community for more than seven years to provide services in our community. Primarily, Helping Hands has focused on needs of families pertaining to food, shelter, and clothing. For our annual event this year, Helping Hands Outreach and Westcare have partnered together to present the Estill County Drug March and Community Resource Fair. Our partnership will allow us to help address additional issues related to substance abuse and recovery.

We want to thank the Agency for Substance Abuse Prevention (ASAP) and Kentucky River Foothills Head Start for their compassion and generosity in sponsoring this event. They, along with WestCare and other local community organizations are assisting Helping Hands in bridging gaps to build stronger families and communities.

This event is ENTIRELY FREE to the community and includes free food, kids inflatables, many local organizations presenting the resources they provide to the community, and special guest speaker former football player Jared Thomas as he shares his story of addiction, recovery, and career as a substance abuse counselor.

Drug March is at 10 am, Jared will speak at 11 and the event will close at 2 pm. We welcome you to join us to find a resource, or share the services your group provides to the community. If you are interested in sharing your services, please visit Helping Hands Outreach FB page for vendor registration. You may also call 606-975-3775.

Four Seasons Garden Club members had a work session at their August meeting at the West Irvine School's Monarch Waystation that the club established. The garden provides milkweeds, nectar sources, and shelter needed to produce successive generations as they migrate through North America. The Four Seasons Garden Club is a member of the National Council of State Garden Club, Inc. Pictured left to right, Garden Club members who worked at the Monarch Waystation were Susan Hawkins, Peg Smith, Paula White, Barbara Welch, Connie Crain, and Francine Bonny.
