## Irvine Nursing & Rehabilitation Welcomes New Administrator

Irvine Nursing and Rehabilitation would like to welcome our new Administrator, Ms. Lauren Sword.

Lauren is a Richmond, Kentucky native and alumni of Madison Central High School. She did not veer far from home and earned her Bachelor's degree of Science in Social Work from Eastern Kentucky University.

Lauren has always had a passion for the geriatric population and reports that she always wanted a career in the long term care field

after her grandmother was diagnosed with Dementia. She started out her career as a Social services director in Owenton, Kentucky, where she gained a wealth of knowledge.

She then wanted to broaden her horizons and decided to move to Lexington for a position in Admissions/Marketing/Social Services at Cambridge Place. Working in this environment was a great experience to see what urban and rural cultures had to offer in the field of geriatrics.

Eager to learn even more Lauren grew into a position with PMD corporation as the Administrator in Training at The Terrace and Ridgeway Nursing and Rehabilita-

tion. While at Ridgeway Nursing and Rehabilitation Lauren became the Executive Director and greatly enjoyed continuing this career path on her way to Irvine.

She has had the advantage of working with all departments within a skilled nursing facility and is able to guide employees with firsthand knowledge of what they can expect in their professions from day to day. The road to becoming an administrator has been a long endeavor for her but along this journey, she has learned exactly what the profession entails and is excited to share her knowledge and guide our team to provide excellent quality of care!

## Arts Council Gets Grant

The Estill Arts Council received \$700 from a Jackson Energy Operation RoundUP Grant Program and had an even better program thanks to the grant. The money received was used to help fund an Art Camp for Children this summer. Presenting the donation was Jackson Energy Board member, Teresa Dawes, to Mary Reed, Art Camp Director and founder of Estill Arts Council.
