

Estill Steamrolls Boyd County, 35-12

MIKE WISEMAN
Estill Tribune Sportswriter
 The Estill County Engineers Football team picked up their first win of the season with an impressive 35-12 victory over visiting Boyd County. The Engineer defense would be the story in this one as they allowed the Bobcats less than 90 yards of total offense. The Engineer offense would not be left out as they put up over 300 yards on the ground.

Estill would get on the board first when Logan Beckler found pay dirt from three yards out to give Estill an early 6-0 lead. The Engineer D would force a Boyd punt but an unfortunate bounce would touch an Estill player and the defense would be forced to dig in again.

As they would all night, the defense would hold again and give Estill the ball. Beckler would rip off a huge run and Justin Stamper would take it in from seventeen yards out to pad Estill's lead. A

recovered onside kick would give Estill a short field and QB Jerry O'Hair would make it payoff when he connected with Dylan Evans for a 4 yard TD pass and a twenty point lead.

After a forced fumble by the defense, O'Hair's next pass would be picked off and returned for Boyd's first score of the game and set the halftime score at 20-6.

The Estill defense would let down their guard on the first play of the second half when Boyd

would sprint to the two yard line that led to another score and cut the lead to a single possession.

Estill's patented time consuming ground game would prove too much and with Trenton Walker scoring a pair of rushing TDs in the second half, Estill would grab their first W of 2017.

Stats: Rushing- L.Beckler 13-151 yds 1 TD, E.Webb 8-53 yds, T.Walker 8-50 yds 2 TD, C.Edmonson 10-48 yds, J.Stamper 5-37 yds 1 TD.

Passing: J.O'Hair 2-3. 4 yds 1 TD, 1 int. Receiving- D.Evans 1-4 yds, 1 td

Defense: L.Beckler 4 tkl, T.Donahue 4 tkl, 1 sack, 2 tfl, A.Salyer 4 tkl, 1 sack, 1 tfl, J.Stamper 3 tkl, J.Watkins 4 tkl, 1 sack, 2 tfl.

Estill will be back in action this Friday night as they take on Bath County on 2017 Homecoming Night. Come out and support the Engineers, including all alumni. GO BIG BLUE!!!

Boys Soccer Loses Heartbreaker to Powell

MIKE WISEMAN
Estill Tribune Sportswriter
 The Estill County Boys Soccer Team would see their five game winning streak come to an end last week in a heartbreaking loss to the Pirates of Powell County.

The Engineers would see their season record fall to 6-4 with a win over Menifee County and a disappointing loss to unbeaten Oneida Baptist.

The Engineers would fight to the end in the loss at Powell County and grab a tie through regulation in this highly physical contest.

Nick Hug, Andrew Samples, and Matthew Woolery would find the back of the net for Estill but the Engineers could not break through in two overtime periods.

Powell would eventually find the goal in the penalty kick shoot out to end Estill's

winning streak. Estill would get back on the winning side with a tough 3-0 win over Menifee County as Woolery would put in two goals in this one.

Chase Muncie would add a goal of his own while Dustin Beeler and Jakolbi Crowe would add assists.

Estill would take to the road and try to give Oneida Baptist their first loss of the year. Estill's offense would be non-existent in this game and the Engineers would be on the wrong end of the shutout, 6-0.

The Engineers will return to action on Tuesday night as they host Jackson City @ 6pm. Sept 14- Wolfe County- Away, Sept 16- Hazard- Home- 1:30, Sept 19- Garrard County- Home- 7:30.

Come out and support the Estill County Boys Soccer Team. GO BIG BLUE!!!

Marching Engineers make a statement at first competition

After months of preparation, countless rehearsal hours and hard work, it was finally time for the Marching Engineers to debut their 2017 show "The Black Death" in a competition setting.

The band traveled to Bourbon County, along with 23 other groups, to compete in the first contest of the year. Being the second band on the day to perform, the band made an impressive statement with their preliminary performance.

With 6 other AA bands in their class, the Marching Engineers won best music, best visual, best effect, and 1st place in class AA, beat-

ing rivals and state finalists contenders Garrard County, Casey County, and LaRue County. This earned the band a spot in finals competition later that night.

After another great performance in finals competition, the band finished 3rd overall out of 23 bands, behind only Lafayette and Williamstown. They again outscored all competition in their class but also topped several larger AAAA and AAAAA schools including George Rogers Clark and Tates Creek.

This coming Saturday the band will be in competition at Madison Southern High School.

Estill Marching Engineers won 1st class in AA to advance to finals on Saturday at Bourbon County.

Lady Engineers Soccer Beat Powell in Shootout

MIKE WISEMAN
Estill Tribune Sportswriter

The Lady Engineers Soccer Team would see their season record improve to 4-6 with two hard fought wins over the last week. A 2-1 shootout win over Powell County along with a 7-0 shutout of Oneida Baptist has the Ladies on the right track.

The Lady Engineers would take Powell into overtime behind a Kalea Hatton goal but neither team could find the net in the extra stanzas. After many unsuccessful penalty kicks, freshman Jada Macfarland scored the biggest goal of her short career to give Estill the win.

The Lady Engineers

would be unable to muster any offense against Menifee County and come out on the losing end of a 1-0 score.

The Ladies would have no trouble finding some offense against Oneida Baptist and grab a 7-0 victory.

Stats: A.Farmer- 2 goals, 2 assists, D.Rucker-2 goals, J.Stone-2 goals, K.Hatton-2 assists, S.O'Hair-1 assist, L.Wood-1 assist.

The Lady Engineers will return to action on Saturday @ 11:30am as they host Hazard, Sept 18- West Carter- Away, Sept 9-Garrard County-Home 6:30. Come out and support the Lady Engineers Soccer Team. GO BIG BLUE!!!

Lady Engineers Volleyball Looks to Improve 8-8 Record

MIKE WISEMAN
Estill Tribune Sportswriter

The Estill County Lady Engineers Volleyball Team continues to keep their record at or above .500 for the season.

The Ladies had only a single match this past week and fell to a very strong Madison Southern team.

Estill will host Lee County in an important district matchup on Tuesday night with action beginning at 7:30.

Sept 18- Morgan County- Away, Sept 19- Jackson City- Home- 6:00.

Come out and support the Lady Engineers Volleyball Team. GO BIG BLUE!!!
