Elect Donnie Watson . . .
Your next County Judge/Executive

Here it is, less than a month before the Final Election. I have tried to see as many of you as possible and will continue until election day. Again, I have been asked about the County Fire Departments. And again, as I said before, the primary all-emergency services are an essential part of County Government. The 911 operators, rescue squad, ambulance service and fire departments are all vital to the safety, health and welfare of every individual in Estill County.

There are four voting members of the Fiscal Court. I will never, in any way, cast a vote to reduce any of the emergency services and jeopardize the lives and property of our people.

Thank You,
 Donnie Watson
