

# Library Happenings

Estill Public Library  
by Shannon Horn

October 26th, 2018

Hello Readers!

### Adult Programs

Sandy Savage and led a session for Crafternoon on Wednesday, Oct. 24th. We had a great group there to learn how to draw with charcoal. The drawings that I saw at the end of the class were phenomenal. Estill County certainly has a lot of hidden talent. Check out our online calendar or call the library at 723-3030 to learn more about our Crafternoon classes.

There are still a few Pickin' in the Park concerts on our schedule! Michael Stallings will be performing on Oct. 30th. The concert will start at 6:30PM. The remainder of the concerts will most likely be held in the library, due to the chilly weather. We have a couple of November performances in the works. Senora May will be with us November 13th. We have tickets at the library available.

Our final candidate forums was a great success. Thank you to all that participated or came out to hear what the candidates had to say.

Our new Adult Book Club book is ready to be checked out. It is called Looking for Me by Beth Hoffman. There is an audiobook available if you would be interested in that. New members are always welcome. The discussion sessions are on the first Tuesday of each month at 1:30PM at the Library. We've had some already checked out. It looks like it will be a really good book!

### Teen Programs

We will not be having Teen Game Night this week so that we can prepare for our Pickin' in the Park concert as well as Trick or Treat. But don't worry! We will be starting back up next month. All middle and high school students are welcome to attend. We meet every second and fourth Tuesday at 3:30. If you have a student that would like to attend, they can ride the bus to the library after school.

Our newest teen program is called Fandom Fridays. This last Friday we used perler beads to make some video game inspired crafts. It took a lot of patience, but they were

really neat when we had them finished. We will be having Fandom Friday again this Friday at 3:30.

### Kids Programs

Storytime this week was a lot of fun. We had our Halloween party for our 3-5 year old group. We always have fun reading stories and learning about our letters, numbers and colors. This week we took a little break to play some games, eat some snacks and just have fun! If you would like to join us for Storytime we meet every Wednesday at 10:30. We would love to have you.

Baby & Me was so much fun last week. We had our Halloween party for the babies and their costumes were adorable. They weren't exactly sure why they were dressed up, but they were very entertained. I read a couple of Halloween themed stories to them and then it was party time. They experienced their first Storytime party and the adults got to have fun watching the little ones run around. Baby and Me Storytime is on Fridays at 10:30.

LEGO Club is back in full swing. We had several kids show up to build this week. They always make awesome stuff, but the names they put with their creations are just as imaginative. If you come into the library, their LEGO creations are always in the display case by the front desk. LEGO Club is for children 6-12 years old.

Our Homeschool Enrichment Program had an interesting time this last week as we worked on some science experiments. The kids worked together to build candy pumpkin catapults. They did a wonderful job and the catapults worked really well. They also dissolved candy pumpkins in different liquids. It was amazing to watch how the pumpkins seemed to melt. It was fascinating. If you homeschool your child and would like for them to join our group, bring them on to the library every second and fourth Thursday at 1:00.

Nighttime Storytime is one of our newer programs. It is Thursday evenings at 5:30. It is right after LEGO Club. This is for children 0-5 years old. We do a lot of the same stories and songs that the Wednesday kids get to do. We have been having fun and we would love to have you there.

If you have any questions about what is going on at the library just give us a call at 723-3030. Until next week!

## Estill County Library Activities

### Library Storytime

Come join us as the Estill County Public Library on Wednesdays at 10:30 for Storytime!

If you have a baby or infant, come to Storytime on Fridays at 10:30. We dance, sing, read and play!

If you have a child that you'd like to bring to Storytime, but can't come during the day don't worry! Nighttime Storytime will begin September 6th at 5:30 p.m.

### Weekly Elementary Lego Club at the Library

Remember the Estill County Public Library's LEGO Club is now from 4:15-5:00. If you are six to twelve years old, come build with us at Lego Club on Thursdays! We will display your creation in the middle of the library for all of our patrons to see!

### Homeschool Enrichment Program

The Estill County Public Library's Homeschool Enrichment Program will be meeting again on October 25th. We will be having our Fall STEAM day. We will start at 1:00!

## Coffee and Donuts With the Candidates

When: Saturday, November 3, 2018  
 9:00-11:00 a.m.

Where: Steam Engine Session Room

The Estill County Republican candidates for office will be on hand to listen to your concerns, answer your questions, and talk about the future of Estill County.

Paid for by the Estill County Republican Party

I wanted to reach out to anyone I haven't gotten to talk to personally while going door-to-door in my campaign in District 1.

My plans are to continue trying to contact each of you between now and November 6th.

I have enjoyed talking to each of you and thank all of you for your kind response as I have listened to concerns and positive input on helping our city and county move forward with new ideas for improvements.

I ask for your support in the upcoming election as I will promise nothing but to work hard to meet any needs presented to me for a positive resolution. I look forward to working with the Fiscal Court and all involved as we all put our best foot forward for the betterment of our great community.
