The Estill County Public Library's Wednesday Storytime has been having some fun! We will start "exploring" books this next week. Come visit us! We've had several babies attending our Baby and Me Storytime session. We would love to have you and your little one join us for some learning and play! There have been several awesome creations at the Estill County Public Library's Lego Club. Remember it is starting at 4:15 now. Come build with us and display your creation for all our patrons to see. The Homeschool Enrichment Program held a special program with Nelle Williams on the 27th. She shared with them the story of Christopher Columbus and his discovery of America and also of the landing of the Pilgrims. Not only did she tell the story, but the kids and Miss Shannon got involved with the tale as well. Nelle brought several costumes that were distributed so that the performers would truly fit the part. Pictured above, Nelle with Jazmyrn Stevenson, Owen Davis, and Jeremiah Knuckles.
