# Maudie's Naughties

## Wrong Tee

It is a sunny Saturday morning, and Pete is beginning his pre-shot routine. As he is visualizing his upcoming shot, a voice comes over the loudspeaker, "Would the gentleman on the ladies tee please back up to the men's tee, please!"

Pete is still deep in his routine, seemingly impervious to the interruption. Again the announcement, "Would the man on the women's tee kindly back up to the men's tee!"

Pete has had enough. He yells, "Will the announcer in the clubhouse kindly shut up and let me play my second shot!"

## Magic Room

A man who lives the simple life is visiting a mall for the first time with his son. They are amazed by everything, but more so by two silver doors that open up to reveal a small room. They watch in amazement as people step into the room, the doors close, and it comes back empty or with someone different inside. As they are watching, an ugly, overweight lady goes inside, the doors close behind her. They watch as the numbers change and a few minutes later, the doors open again and out steps a beautiful, young blonde.

"Pa," says the boy, "Are you going inside the room?"

"Nah," says the man. "But run home quickly and get your mother!"

## Baseball Pals

Two ninety year old men had been friends all their life and played on baseball teams together for many years. They visit each other every day and share stories about some of the games they played. One day, one of the men passes on, and the other spends the next few months reliving the days by himself.

One night he is awakened by a blinding flash of light and a voice that is calling out to him. "Bill, Bill, Bill..."

"Who's there," he calls out.

"It's me, Sam! I'm in heaven and I've got some good news and bad news for you. The good news is that it is wonderful here. I'm playing baseball here and having the time of my life!"

"Well," says Bill. "What's the bad news?"

"You're pitching next Tuesday!"

## Hidden Loot

A group from Chicago spend a weekend gambling in Las Vegas. One of the men wins \$100,000. He doesn't want anyone to know about it, so he decides to return on a later plane home and arrives at 3 a.m. He immediately goes to the backyard of his house, digs a hole and plants the money in it. The following morning he walks outside and finds only an empty hole. He notices footsteps leading from the hole to the house next door, which is owned by a deaf-mute. On the same street lives a professor who understands sign language and is a friend of the deaf man. Grabbing his pistol, the enraged man awakens the professor and drags him to the deaf man's house.

"You tell this guy that if he doesn't give me back my \$100,000, I'm going to kill him!" he screams at the professor. The professor conveys the message to his friend, and his friend replies in sign language, "I hid it in my backyard, under the cherry tree."

The professor turns to the man with the gun and says, "He's not going to tell you. He said he would rather die first!"

## Goodbye, Mother!

A man is walking through the supermarket picking up a few things when he notices an old lady following him around. When he gets to the checkout line she is there, so he lets her go in front of him.

"Pardon me," she says. "I'm sorry if I keep staring at you. It's just that you look so much like my son who died recently."

"I'm sorry," he answers. "Is there anything I can do?"

"Yes," she replies, "As I am leaving, can you say, 'Goodbye, Mother!'? It would make me feel so much better."

"Sure," he says, thinking it was an odd request but no harm could come from it. As the woman is leaving he calls out, "Goodbye, Mother!"

He steps up to the checkout counter and finds that his total is \$127.50. "How can that be?" he asks, "I only got a few things!"

"Your mother said you would pay for her," says the clerk.

## Hospital plans "Ladies Night Out for Breast Cancer Awareness"

Marcum & Wallace Hospital is planning a Ladies Night Out for Breast Cancer Awareness on Tuesday, October 23 at 5:30 p.m. at Calvary Baptist Church (located at 21 Glory Street in Irvine).

This free event will feature a presentation by Billie Kelley, APRN, and Sharon Whitaker, Marcum & Wallace Hospital Radiology Director.

All ladies who attend will receive a free dinner, gift and door prize chance. Please sign up for the free event by Friday, October 19 by calling 606-726-2106 (option 2).

"While breast cancer affects people throughout the year, October has been marked as breast cancer awareness month. It's used as a reminder to make sure women are keeping up with preventative and

early detection measures", said Whitaker. "It is so important for women to get annual mammograms and be proactive about their health."

Marcum & Wallace Hospital expanded radiology services in October of 2017 with the addition of 3D mammography, the newest screening and diagnostic technology for breast cancer detection. The funding for 3D mammography was provided by the Marcum & Wallace Hospital Foundation.

Speak with your healthcare provider about your annual mammogram. The Marcum & Wallace Hospital radiology department uses only the highest quality digital mammography (2D/3D) and breast ultrasound to get fast, accurate results. Provider and self-referrals accepted. Free gift for mammograms in October (while supplies last). Call 606-726-2106 to schedule your mammogram.
