

Estill Engineers Soccer Team Wins District Title

It's tournament time for all in fall sports with several teams in playoff action this week and the Estill Engineers football team needing a win Friday night to get a playoff berth.

The Estill County Engineers boys soccer team got a lucky break with 11:05 in the first half when the Powell County Pirates' goalie "looked ahead" and let the ball slip past. Estill's team was already turned on defense before realizing the ball had gone in the goal for the Engineers' first score. Estill scored again with 31:50 in the second half to lead 2-0.

However, the determined Pirates had played hard all the game and scored with 17:31 to go to cut the lead to 2-1. Powell County fought hard the rest of the game but could not get past a determined Estill Engineers team. Tyler Sutter got both goals and goalie Matt Rowland got the win. They and Andrew Chaney were named all-tournament along

with MVP Dustin Beeler.

Estill was 15-2-1 and was matched up against the Hazard Bulldogs last night (Tuesday) at Perry County Central. Finals will be Thursday, also at PCC.

Estill's girls soccer team had split with Powell in regular season and was ahead on points but fell 5-2 to the Lady Pirates in the 54th District championship.

Hannah Ross scored both goals for the Lady Engineers and she, Hannah Baker and Kalea Hatton were named to the all-tournament team.

The Lady Engineers quickly rebounded after the loss and won 1-0 in shoot-out/penalty kicks against Letcher County Central in 14th Region action on Monday night. This puts them into the championship of the region on Thursday against Perry County Central who eliminated Powell County. That game is also at PCC.

Estill County's volleyball team had its best season ever and had beaten Powell County twice to win the

regular season title in the 56th District but fell 3-0 to the Lady Pirates while playing for the tourney championship.

Estill County is 21-9 and was facing Leslie County on Tuesday night at Perry County Central in Hazard.

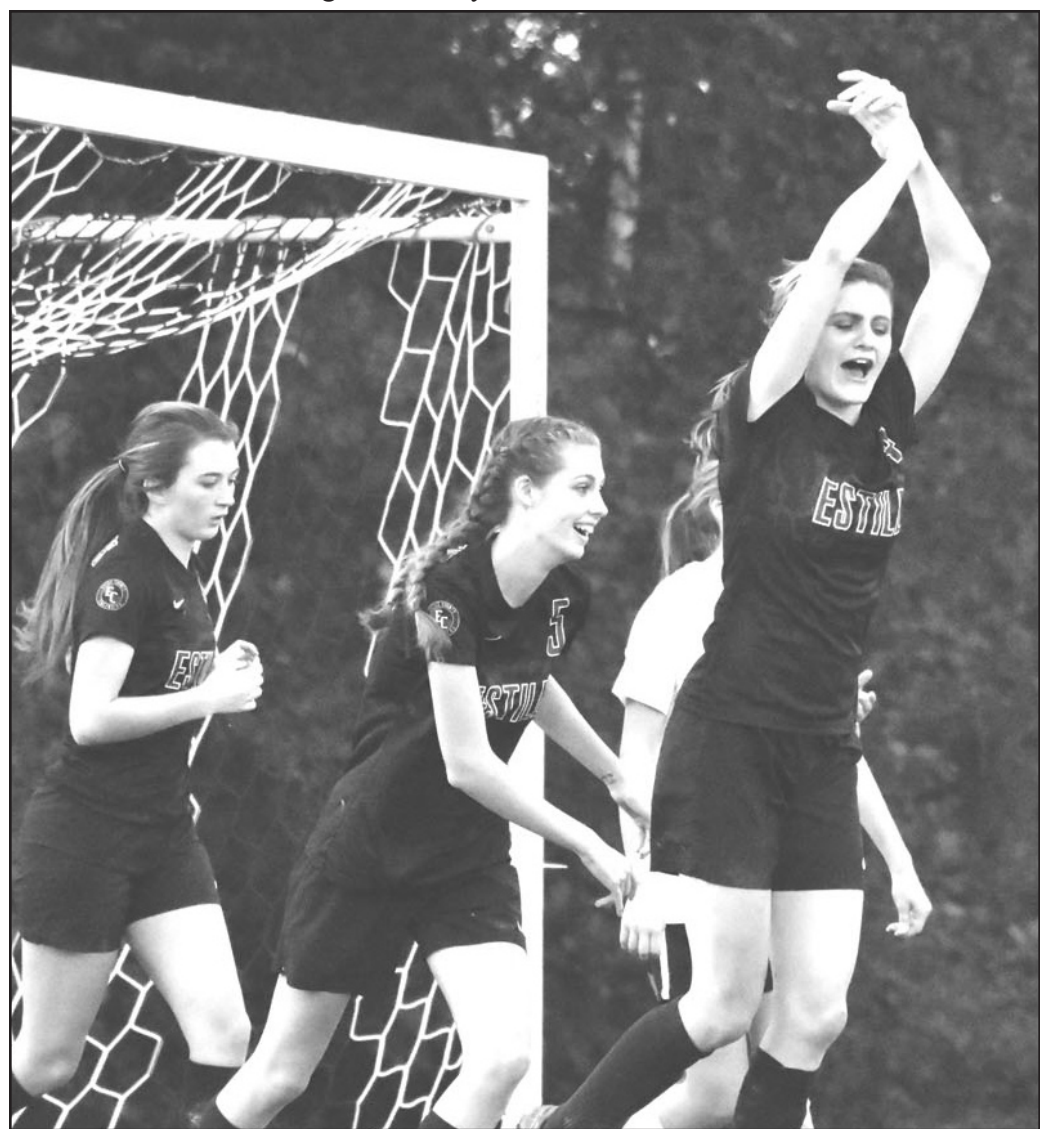

The Estill County Engineers football team got a well-needed 40-22 win over Magoffin County last Friday and needs another against Knott County Central in Irvine this coming Friday night.

Estill is 3-5 and 2-2 as well as is Morgan County but Morgan is facing the Powell County Pirates and Magoffin County is playing against district winner Breathitt County. The Bobcats were expected to be down this year but topped Powell County last week to sew up the district title.

The district is a 6-team district and two teams will be sitting out, likely Magoffin and KCC unless Knott can pull off a win over Estill.

The Estill County Engineers Boys Soccer Team holds the 54th District Trophy up high for the loyal Blue to see after defeating Powell County in Stanton for the title.

The Estill Lady Engineers celebrate after getting their first goal of the night against the Powell County Lady Pirates in 54th District Tournament action.

The kind hearted pastor pats her hand and says "Now, now, Carolyn, don't carry on. The pastor who takes my place might be even better than me."

"No need to repeat yourself, my good man," replies the doctor. "One 'doctor' is enough."

"Yes, well, you see, I've got this problem," the man continues. "I keep hallucinating that I'm a dog. A large, white, hairy Pyrenees mountain dog. It's crazy. I don't know what to do!"

"A common canine complex," says the doctor soothingly. "Come over here and lie down on the couch."

"Oh no, Doctor. I'm not allowed up on the furniture."
