

Estill Engineers fans had a good time on Monday night during the Engineers win over the Powell County Pirates.

LaDonna Johnson was named as Classified Mountain Mover for the Estill County School System. She has been an employee for 20 years.

Stephen Willis, principal of South Irvine Preschool, was named the certified Mountain Mover. He was selected by his peers.

Estill Lady Engineer Mia Hale, an 8th grader, puts up as shot against Powell.

Estill Engineers senior center Andrew Doty tries a back hand layup during the Estill-Powell game.

To the citizens of District #2

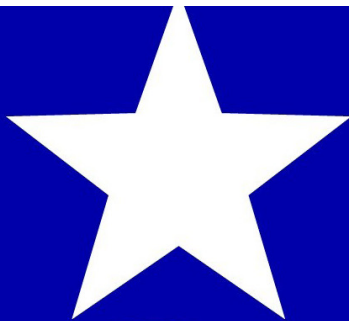

My name is Earl Young Jr., and I would like to announce my candidacy as a Republican nominee for Magistrate, District #2, in Estill County.

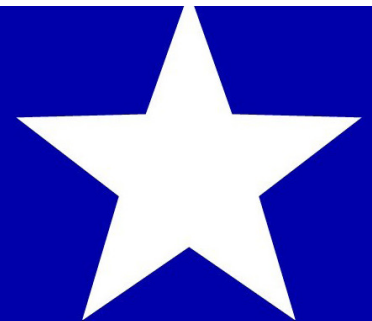

I was employed at Bundy Tubing for 22 years where I worked as a group leader. I was an employee of the Estill County Road Department and the City of Irvine for approximately 20 years. I was honored to serve a four-year term as your magistrate from 2011 to 2015. While I was magistrate, I received 160 hours of training on how to handle problems that may occur in our county. I am now retired and can dedicate my time to serving the people of Estill County. I would like to put my experience to work for the people of Estill County as your magistrate if I am elected. I have been a resident in District #2 for approximately 40 years. I reside at 77 Dry Branch Road with my wife, Darlene Young. My phone # is 606-723-5371. If anyone has any questions or comments, please feel free to call. I hope to see everyone to ask for your vote and support. Your vote will be appreciated.

Thank you, Earl Young Jr.
