Unscramble these twelve letter strings to form each into an ordinary word (ex. HAGNEC becomes CHANGE ). Prepare to use only ONE word from any marked ( ullet ) letter string as each unscrambles into more than one word (ex. ♥ RATHE becomes HATER or EARTH or HEART ). Fit each string's word either across or down to knot all twelve strings together.

you get some positive feedback soon.

TAURUS (April 20 to May 20) Spend time on practical matters through the end of the week. Then begin shifting your focus to more-artistic pursuits. Resist being overly self-critical. Just allow vourself to feel free to create.

**GEMINI** (May 21 to June 20) Restarting those creative projects you had set aside for a while will help provide a much-needed soothing balance to your hectic life. Besides, it will be like meeting old friends again.

CANCER (June 21 to July 22) A change in plans could make it tough to keep a commitment. But stay with it. You'll get an A-plus for making the effort to do what's right and not taking the easy way out by running off.

LEO (July 23 to August 22) The Lion's enthusiasm for a workplace policy review is admirable. But be sure you know who is really behind the resistance to change before pointing your finger at the wrong person.

VIRGO (August 23 to September 22) You can expect to have to do a lot of work through midweek. Devote the rest of the week to checking your holiday plans in case some need to be adjusted to accommodate changes.

LIBRA (September 23 to October 22) Try to avoid signing on the dotted line in the early part of the week. You need time to study issues that weren't fully explored. Later in the week might be more favorable for decisionmaking.

SCORPIO (October 23 to November 21) A new development could snarl travel schedules or other holiday-linked projects. Some flexibility might be called for to deal with the Amber Waves problems before they get too far out of hand. SAGITTARIUS (November 22 to December 21) Relatives seek your advice on a matter you'd rather not be involved in. If so, use that sage Sagittarian tact to decline the "offer," so that no one's feelings are needlessly hurt. CAPRICORN (December 22 to January 19) A shift in planning direction might help you speed up your progress toward achieving that long-planned goal. Trusted colleagues are ready to offer some valuable support.

AQUARIUS (January 20 to February 18) An unexpected demand for settlement of an old loan could create some pre-holiday anxiety. But you might not really owe it. Check your records thoroughly before remitting payment. PISCES (February 19 to March 20) It's a good time to get into the social swim and enjoy some well-earned fun and games with those closest to you before you have to resume more serious activities next week.

BORN THIS WEEK: Your ability to sense the needs of others makes you a wise counselor for those seeking help with their problems
