

Marcum & Wallace Hospital Foundation Events raise over \$53,000

On Saturday, October 13, 2018 the Mercy Health Foundation – Irvine hosted the fourth annual Golf Scramble and Paradise Luau (presented by Citizens Guaranty Bank) at the Estill County Golf Club. The events were the largest to date and combined to raise over \$53,000 for Mercy Health – Marcum and Wallace Hospital.

“It is with the community’s support that we will be able to renovate an area of the hospital for an outpatient infusion center. We will also have the funds to furnish the area so it’s comfortable and inviting,” said Marcum and Wallace Hospital President and CEO Susan Starling. “Thank you to all who supported these events, as we accomplished our fundraising goal so that we can have this space in our facility to provide convenient, quality care.”

“We are especially thankful to Kathy Samples and Rodney Davis for the vision of these fundraising events that will have a direct benefit to Marcum and Wallace Hospital patients,” said Arielle Estes, Marcum and Wallace Hospital Director of Development. “The response from the community to support these events has been inspiring. I want to sincerely thank everyone who supported the events through sponsorships, attending the event or donating items for the live and silent auctions.”
