I would like to officially announce that I am running for the office of Estill County Judge Executive.

I was appointed by Governor Bevin in late December 2017 and sworn in as Estill County Judge Executive in January, 2018 to lead our great county.

I have been over-whelmed with encouragement and support shown from this community, the Fiscal Court and agencies of the Commonwealth.

I would like to ask each of you for continued support, as well as your patience and understanding, as we manage this county as a business owned by the people and for the people.

I ask for your vote and support on May 20 for the Republican nomination for Estill County Judge Executive.

Respectfully,  
Kevin T. Williams
