Nuisance Weed Spraying Program Offered

Eric Baker Estill County Extension Agent for Agriculture & Natural Resources

The Kentucky Department of Agriculture offers a nuisance weed control program each year. This program consists of weed demonstration spraying plots on individual farms. The department will providethesprayerandenough chemical for the treatment of 10 acres of agricultural land or 100 gallons of spot spraying mix to be used on agricultural land. The department's representative will be present to demonstrate proper mixing and application techniques. A number of nuisance weeds to target weeds that have a can be treated under this program depending on the needs of the participant. This program is limited to broadleaf weeds.

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Making your Money go Further – **Financial Goal Setting with Pinterest**

Join us on Monday, February 26 at 12 noon, for reliable and time saving principles on setting financial goals in order to make your money go further. This program features ways to search Pinterest for money management tools to create a board for money-saving or money-making ideas. Learn to peruse your favorite personal finance websites for ideas on budgeting, saving, planning for college, buying a home or saving for retirement. Pin them all to a single board so you can easily reference them later. Participants will learn to differentiate between solid research based and commercial gain information. In addition, Pinterest basic principles will be demonstrated by Fayette County Family and Consumer Sciences Extension Agent, Diana Doggett. This program is free and open to the public. If you would like to sign up for this program please call your Family and Consumer Sciences Agent, Thays Flores at 606-723-4557.
