The Estill County Lady Engineers put up two nice wins in last week's action as they prepare for the 56th District Tournament which gets underway next Monday in Beattyville. The Lady Engineers will take on host Lee County on Monday night at 7:45 in first round action.

Estill would host Knott County

Central, one of the best teams in the 14th Region, and take it on the chin by the score of 64-35.

The Ladies would not let that loss get them down as they would come back with consecutive wins over Wolfe County (43-40) and Jackson City (56-44). This would put Estill's season record at 9-16 with two games remaining on the regular season schedule.

The Lady Engineers will host

Breathitt County on Tuesday night and honor Savannah Brewer as the lone senior on this year's squad. **PLAY HARD SAVANNAH!!!**

Estill will finish the regular season on the road against Garrard County on Thursday night.

The Lady Engineers have battled hard all season long with basically no size on the inside. Their nightly lineup consists mainly of

four guards and a forward with playing time for three eighth graders. These Ladies will not let the season end easily, so come out and support the Lady Engineers this week and next week in the District Tournament. **GO BIG BLUE!!!**

The Estill County Engineers Basketball team hope to end their season on a high note as they prepare for next week's 56th District Tournament. The Engineers will be the #1 seed in the tourney and will start play on Tuesday at 6:00 p. m. with a first round game against winless Lee County in Beattyville.

This past week saw the Engineers' win streak snapped at ten games with an upset loss against Breathitt County on Estill's home floor, 54-42.

The Engineers would get back on track with two consecutive wins, against

Wolfe County at home and a terrific road win against East Carter.

Estill's current season record now stands at 18-7 and with two wins in their last three games could exceed 20 wins for the season.

Estill will take on Menifee County on Tuesday night while honoring several Engineers on Senior Night. Congratulations to Caleb Bonny, Andrew Doty, Lane Doty, and Kevin Richardson on a wonderful senior campaign. **GO OUT WINNERS, GUYS!!!**
