**In Loving Memory Of
"Vesteen Holliman"**

God saw she was getting tired,
And a cure was not to be.
So, he put his arms around her,
And whispered, "Come with me!"
With tearful eyes we watched her
suffer, And saw her fade away.
Although we loved her dearly,
We could not make her stay.
A golden heart stopped beating,
Hard working hands to rest;
God broke our hearts to prove
to us, He only takes the best.

Rest in Peace, Dear Mother
The Holliman Family

Flood Info

by Melissa Jessie-Neal

• As of 10:15 a.m. on Monday, Feb. 12, the KY River is at 25.28 ft.

• River is expected to crest at 27.2 ft Monday evening

• Roads that are currently flooded: Red Lick Rd., Millers Creek Rd., Dark Hollow, Noland Creek, Murphy's Ford and Sang Branch.

• FLOOD WARNING until 2-14-2018

• We ask that residents in flood areas not to cross flooded roads. Please find an alternate route.

The water is moving quickly and rising at a steady pace. Not only can the water float your car, but you cannot tell if the road has been washed away.

According to FEMA:

• Six inches of water will reach the bottom of most passenger cars, causing loss of control and potential stalling.

• A foot of water will float many vehicles.

• Two feet of rushing water will carry away most vehicles, including SUVs and pickups.
