In Memory of Marion Riddell

December 23, 1951 -- May 18, 2017

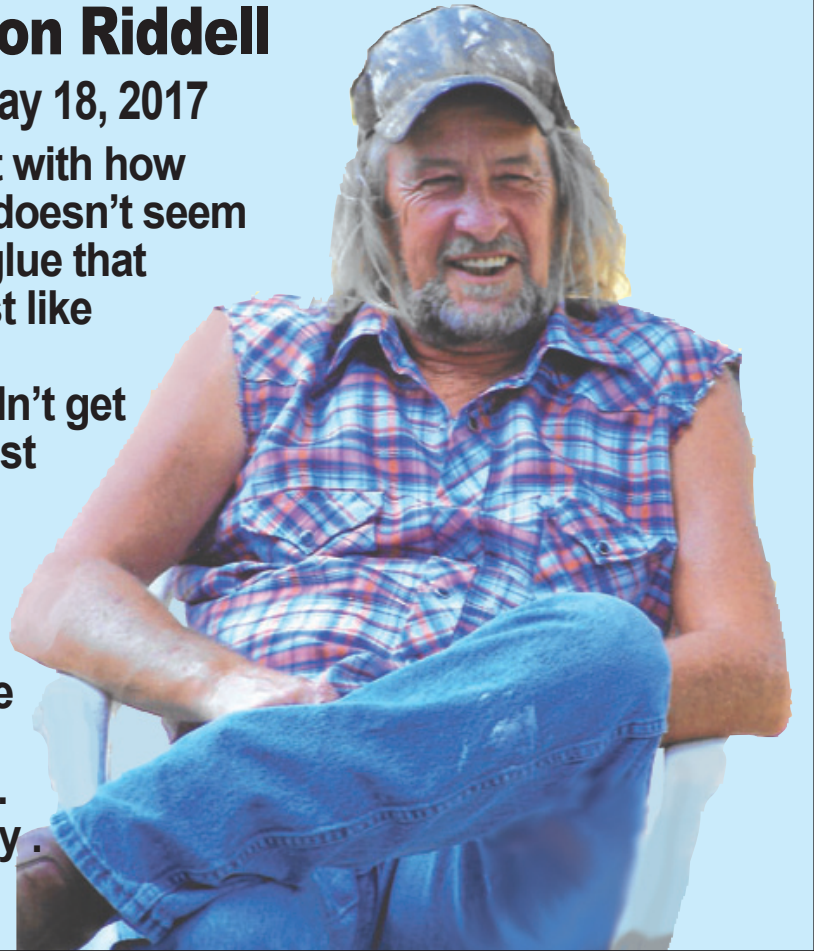

I don't know where to start with how badly you are missed. It still doesn't seem real to us. You were like the glue that held your family together, just like your dad before you.

We lost you so fast, we didn't get to say goodbye, or tell you just how much we loved you.

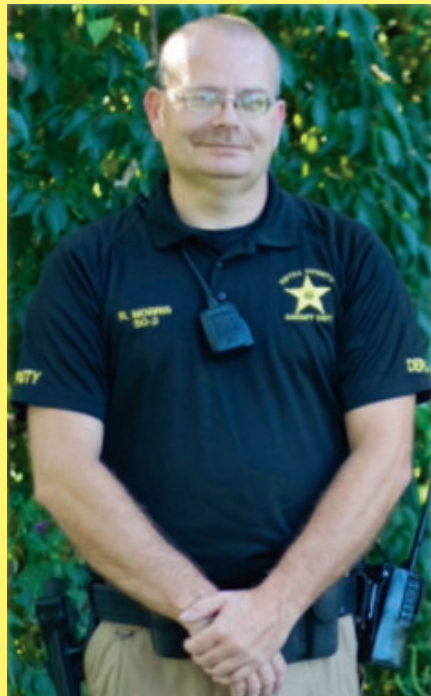

God had his own plan for you, and for us. I just pray that we all live our lives as God would have us to and we can be together again.

You are very sadly missed.
You were loved by so many.

Roberts is called as pastor of Providence Baptist Church

The Providence Baptist Church at Winston has call Tim W. Roberts as their pastor. Roberts was born in Owensboro, Kentucky. In 1967 there was a life changing moment for Pastor Tim when at the age of six he surrendered his life to the Lord by asking Jesus to be his personal Lord and Savior. In 1981 Pastor Roberts married Kay. The Lord has blessed them with two wonderful children, Jessica and Jeremy, who are now both grown with their own children. Pastor Tim and Kay have six grandchildren and Adrian, that is 7, their grandson whom they adopted as their son in 2015.

In 1993 Pastor Tim answered the call to preach the gospel. In that same year God call him and Kay

Campbell for Estill County Clerk

I would like to introduce myself to the citizens of Estill County. I am Felicia Fike Campbell and I have filed to serve as Estill County Clerk. I am the daughter of Garrett & Wilma Fike. I have been married to Tony Campbell for 39 years. We have three children who work, live, and raise their families in Estill County - Brandon and Mary Lynn Campbell, Toni-Garrett and Chris Hall, and Steven and Beth Campbell. Our children have blessed us with seven beautiful grandchildren.

I have worked for the Estill County School system for 29 years. For the last 24 years I have been the secretary to the Superintendent(s). My role in the school district is not just clerical in nature, but includes tasks similar to those of the County Clerk. I am the Human Resource Director and Insurance Coordinator. I calculate salaries, track teaching certification, take official minutes of board meetings, and keep all permanent records for the school district. I have been blessed with my current position and the opportunity to help and serve every employee (and their families) within our county's largest employer. I feel that the experience and unique qualifications I have would be a perfect crosswalk to the duties of the County Clerk.

It would be a privilege to work for the citizens of Estill County. My goal as Clerk, would be the same as it has always been; to serve in a helpful, efficient, friendly and confidential manner. Please consider me as you choose your next Estill County Clerk.
