## Get on Board for Change Vote James E. Gross Mayor-City of Irvine

With more than 30 years of experience as a Public Servant of Estill County, I know what it takes to make our community a better place.

My career began in 1979 as a Police Officer for the City of Irvine, where I worked to become the Chief of Police. Since then I have had the honor of serving my community as a Court Designated Worker for Estill, Lee and Owsley Counties, also a Police Officer for the City of Ravenna, and School Resource Officer for the Estill County School System.

As a life-long citizen of Estill County, I know the issues that our community faces. As someone who has served the public for most of my life, I have extensive knowledge of the policies and procedures currently in place; coupled together, I have the dedication to promote change within our community by implementing improved policies that will enhance our town and lead us forward towards the future.

*I look forward to the opportunity to serve my community.  
Let's make IRVINE a better place. Thank you for your support!!!*
