

Hale on Winning AAU Team

Ava Hale, daughter of Shaun and Kim Hale, competed in the AAU State Tournament this past weekend. Ava plays on the Kentucky Sparx, a 4th grade AAU team based out of Pulaski County. Ava and her Sparx team brought home the 4th grade D1 AAU State title beating the Corbin Magic 38-31.

The daffodils started blooming during the warm weather of February. They announce the coming of spring, which is next Tuesday.

About eight inches of a wet snow fell on Estill County overnight on Sunday. The snow covered trees and power lines, causing downed trees and numerous power outages.

Four Place in Poster Contest

Natalie York, Lexi Muncie, and Emma Taylor

The Estill County Middle School Youth Services Center recently assisted all ECMS Student Council members in entering the Kentucky Jump Start Coalition's poster contest for Kentucky Saves Week 2018. Four students from Estill County Middle School placed in this competition. Winners are pictured above: (left to right) Natalie York, 2nd place 6th grade; Lexi Muncie, 3rd place 6th grade; and Emma Taylor, 1st place 6th grade. Also, not pictured, is Riley Watkins who placed 2nd in the 8th grade competition.

Estill County Middle School Staff Member of the Week

Jimmy Bonny

The Estill County Middle School Youth Services Center Staff Member of the Week is Jimmy Bonny. Mr. Bonny teaches Financial Literacy at ECMS. He enjoys his job because he has had the privilege of teaching so many incredible and bright Estill County students. Staff members receiving this recognition are nominated by students at the Estill County Middle School for exemplary behavior, attitude, and/or citizenship.

IT'S ABOUT HOW YOU *Live.*

Honoring Life. Delivering Compassion.

29 days

That's how many *more* days of life hospice patients enjoy, on average, compared to those who never have hospice care. More importantly, those days tend to be better days with higher quality of life.*

Like the people in these photos. We helped them have hope that life could carry on in ways that were meaningful for them, and we loved being part of realizing their dreams.

Call today to learn how our hospice & palliative care programs can help you focus on quality of life and living each moment to the fullest.

*According to a study published in the "Journal of Pain and Symptom Management" in March 2007.
