Hi, my name is Robert O'Neil Sanders

Having the pleasure of campaigning for Magistrate, 1st District. Hundreds of people have been exceptionally kind.

I anticipate others to be the same.

My purpose is to share my professional background and experience in the field of construction, construction management, civil engineering, U.S. Coast Guard and U.S. Army.

I believe I can offer my services to benefit this community, and I am a FREE Republican, because I owe no political favors to anyone.

Thanks for your vote, in advance!
