by Linda Letter Box Thistle

Place a letter in the empty boxes in such a way that each row across, each column down and each small 9-box square contains all of the letters listed above the diagram. When completed, the row indicated will spell out a word or words.

to run down. But pace yourself, Lamb, for the demanding week ahead.

TAURUS (April 20 to May 20) With the arts dominant this week, you might want to pick up any of those creative projects you've neglected. A workplace situation benefits from some fresh insight.

GEMINI (May 21 to June 20) Music helps replenish your energy levels. Stream your playlist if you must. But a live concert could prove more rewarding, especially if you go with that very special someone.

CANCER (June 21 to July 22) Close friends reach out to help perk up your lagging social life. That workplace situation also eases, leaving you time to do more fun things by week's end.

LEO (July 23 to August 22) A revelation clears up that perplexing job-related problem. Some changes will have to be made, which, no doubt, will meet with the Big Cat's roaring approval. Good luck.

VIRGO (August 23 to September 22) R.F.D. Reaching out to someone in need is the noble thing to do. But try to restrain the temptation to add a lecture -- no matter how well-intended -- to your good deed. LIBRA (September 23 to October 22) There could be another tough challenge to face before the month is over. But all that hard work is winning you lots of im-

portant recognition from your peers. SCORPIO (October 23 to November 21) Keeping to your work schedule could prove difficult with all those personal distractions. Best advice: Stay with it. There'll be time later for socializing.

SAGITTARIUS (November 22 to December 21) Jumping hurdles this week might be vexing for most, but not for the sage Sagittarian, who recognizes that meeting a challenge can open up opportunities.

CAPRICORN (December 22 to January 19) More obstacles might be thrown in your path as you try to finalize a new agreement. But the sure-footed Goat ignores the stumbling blocks and stays the course.

AQUARIUS (January 20 to February 18) We know the Water Bearer takes pleasure in giving to others. But why not let someone else enjoy the experience

too by accepting that offer of help? **PISCES** (February 19 to March 20) You might find that you need to ease up on your hectic schedule this week. Don't fret about it. It could be helpful to take a break and replenish your energy supply. BORN THIS WEEK: You have a way of finding practical solutions to complex

problems, and you do it with grace. (c) 2018 King Features Synd., Inc.
