

## Estill County Middle School Student of the Week

**Thomas Riley**

The Estill County Middle School Youth Services Center Student of the Week is Thomas Riley. Thomas is the son of Lee and Lona Riley. He currently in the 8th grade and enjoys basketball and soccer. Students receiving this recognition are nominated by staff members at the Estill County Middle School.

AT RIGHT: The Estill County Middle School Youth Services Center recently hosted the Estill County Reality Store (sponsored by the ECMS/YSC, West Irvine Intermediate Family Resource Center, and the Estill County Extension Service). During the Reality Store 5th and 8th grade students were given the opportunity to receive a pretend job, salary, and family. Students visited a wide variety of booths representing all the bills that a family would have to pay each month. The students objective was to visit all the booths and pay these bills, supporting their family in the best means that they possibly can. We would like to extend a special gratitude of appreciation to all the parent, community, and business partners for volunteering to operate our booths and support this project.

Please join the Estill County Democrats for our 2018 Spring Rally. Attendees will be able to gather information and connect with those running for office. There will be local, 6th District US, and State 91st District candidates speaking.

You can't have a gathering in the south without a feast! Ham sandwiches along with coffee and tea will be provided. There will be pop and water for sale. Please bring a side dish or dessert as we're doing this the potluck way.

Not only will you get a chance to connect with fellow democrats and candidates, but you might win some money, too! Test your luck with Split the Pot and share your love with Pass the Hat.

It's going to be a great night of fellowship. We hope to see you there!
