

Students from Estill Springs Elementary participated in the Marcum & Wallace Hospital Teddy Bear Fair on Tuesday, March 27th. Each year, first grade students from Estill, Lee, Powell and Owsley counties visit the hospital to receive education about injury prevention and good health. It allows the students to become familiar with the facility, making a visit to the hospital less frightening. Each student that attended the Teddy

Bear Fair was given a "Will Bear" in honor of Will Wise, an ECHS student who passed away from a car wreck. His family and friends donate toys to the hospital each year. Estill County EMS was one of the community partners that participated in the Marcum & Wallace Hospital Teddy Bear Fair. Students were given a tour of the ambulance and educated about safety. Sarah Taylor of Mama Bear Soaps was one of the many vendors at Swap Day held at the Estill County Fairgrounds on Saturday. Sarah got into making the soap bombs by accident. She first made a few for her mother, and the craft took off. Today, she makes them in many fragrances. In addition to the bombs, there is bath powder in a bottle. There were lots of vendors selling tools and flea market type items.

Above, a student places a pinwheel on the front lawn of West Irvine Intermediate as observance of child abuse prevention month. Right photo: The ground was hard causing students to get in all kinds of positions to plant their pinwheels.

**In loving memory of Kathy Muncie Rawlins**

3 years ago, April 19, 2015, went home to be with Jesus.

When tomorrow starts without me  
And I'm not here to see  
If the sun should rise and find your eyes;  
All filled with tears for me

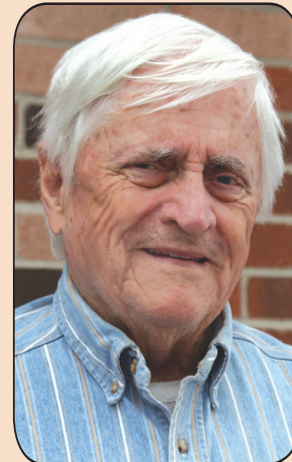

I wish you wouldn't cry  
The Way you did today  
While thinking of the many things  
We did not get to say

I know how much you love me  
As much as I love you  
Each time that you think of me  
I know you will miss me too

Miss you, love you, Mom
