

God's Way

Are we serving God His way, or are we trying to serve God the way we want to?? Are you ready for Christ's meeting in the air?

1 Thessalonians 4:13-14, 16-17 - "But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope. 14For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him . . . 16For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: 17Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord."

I have found many things are not in the Bible, that I've been taught to think that they were. One of things a church taught was that I didn't have to be baptized to be saved. This is WRONG!! In **Mark 16:16** - "He that believeth and is baptized shall be saved; but he that believeth not shall be damned."

Another thing I have found to be wrong, is that we don't need to wash each other's feet to please the Lord. That is not what Jesus told disciples in **St. John 13:8-9, 14-15** - "Peter saith unto him, Thou shalt never wash my feet. Jesus answered him, If I wash thee not, thou hast no part with me. 9Simon Peter saith unto him, Lord, not my feet only, but also my hands and my head . . . 14If I then, your Lord and Master, have washed your feet; ye also ought to wash one another's feet. 15For I have given you an example, that ye should do as I have done to you."

One thing I'm sure of, if I want to be ready to meet my Lord and Savior, I have to follow Him and His Word. I must do it His Way. Not my way or anyone else's way. Anybody can tell us anything and claim it is what God wants. However, they don't always tell us the truth!

John 5:39 - "SEARCH THE SCRIPTURES; for in them ye think ye have eternal life: and they are they which testify of me."

The Estill County Lady Engineer 10-11 year old basketball team finished their 2017-2018 travel season by winning the 11-12 year old division of the 4th Annual War on the Floor at Madison Central High School in Richmond with an undefeated record this past weekend, April 28 and 29.

The girls beat the Florence Lightning 19-18 on a three pointer by Jayci Long with 5 seconds left and beat the Montgomery County Comets 35-16 with a dominating total team effort on the first day.

The tourney on Sunday saw them have another domi-

nating total team effort defeating the Lady Hoops Travel Team 29-7.

The Championship game saw another close nail-biter as Lexi Tiller hit a bank shot with 3 seconds left to put the Lady Engineers on top for good 24-20 over the Florence Lightning.

The last tourney marks a total of four championships and three second place finishes for the young ladies whose team was made up almost entirely of players who played almost the entire year in a division that is one year older than them.

Elect James Eric Walters Estill County Judge/Exec.

If chosen to be your next JUDGE/EXECUTIVE, I solemnly swear to obey all laws and to represent EVERYONE in a fair and equitable way, not the "GOOD OLE BOYS NETWORK" way of doing things for the past 30 years or so. In other words, government by a FEW, FOR A FEW. I neither believe nor practice this type of behavior. I serve no other MASTER but the GOOD LORD and I refuse to bow to any either.

If elected, there will definitely be open and transparent actions in every way. If it is legal to do so, I will personally pay to have all fiscal transactions printed in both newspapers monthly, so that we can all help monitor our monies both coming in and going out.

My major goal will be to work with everyone to improve the Health, Wealth and Welfare of every citizen of Estill County, leaving no one behind.

POINTS OF EMPHASIS

- 1) JAIL ISSUE- try to find short term relief to ease this burden while long term seeking state, Federal or any help we can get to build a new, modern up-to-date JUSTICE CENTER somewhere in the county to better serve us all.
- 2) Landfill - as I stated at the forum, I am opposed to even one ounce of waste left there to endanger our children for all years to come. I say, bite the bullet for the time of removal because in the long run we will all be safer and proud that we stood firm to improve our county for the future.
- 3) Alleged corruption and missing monies -- I will ask for help from the Feds to investigate these issues.
- 4) OPIOIDS-HOMELESSNESS - one initiates most of the other. I feel that we must enlist the help of the many churches in this area to improve these issues.
- 5) JOBS - this I think will be at least a 5 to 10 year plan because we must get ourselves in better fiscal shape to even pursue this. I feel that our best chances to improve on this issue will be through tourism. We have some very interesting things to market here; so, let's do it.

THANK YOU and GOD BLESS AMERICA.

I, Floyd Edmonson, would like to take this time to thank all those who have supported me the past 24 years as your District #3 Constable. I hope that with your vote, I can continue to serve our community. I encourage everyone to get out and make your voice heard and always make the decision that you think is best for our county and our future. We are all in this thing together. Let's hope that the right decisions are made for all this election year and may our county prosper.
