**Hi, my name is Robert O'Neil Sanders**

Having the pleasure of campaigning for Magistrate, 1st District. Hundreds of people have been exceptionally kind. I anticipate others to be the same.

My purpose is to share my professional background and experience in the field of construction, construction management, civil engineering, U.S. Coast Guard and U.S. Army.

I believe I can offer my services to benefit this community, and I am a FREE Republican, because I owe no political favors to anyone.

Thanks for your vote, in advance!

**ESTILL COUNTY JUDGE EXECUTIVE**

I want to say THANKS to all of you that have been so supportive with your calls, letters and cards since being sworn in as Estill County Judge Executive.

I'm campaigning daily for OUR community as your sitting County Judge Executive. I'm dedicated and motivated to move this community forward every hour of every day, and we are making progress.

Working long hours and extended days addressing the issues, challenges and the responsibility of the office, I may not be able to stop by your home or business and personally ask for your vote.

As this very crucial May primary draws near and you decide the leadership and the direction you want to see this community go forward with, "I ask each one of you for your vote and support."

Please contact a family member, a neighbor and a friend and encourage them to vote for KEVIN T. WILLIAMS for Estill County Judge Executive.

**Arthur David Ballard**  
**Republican Magistrate District #1**

I would like to make a short statement as to why I decided to place myself into the race to represent the people of District #1 and the people of Estill County as a member of the Fiscal Court. I believe it is our duty to do our part to make our community a better place for all of us to live. I believe this is extremely important to the youth and children of our community. It is vital for all of us to do what it takes to make this a better place to live and raise our families. If we are to keep our young people here, it must be a place that is better than others to live, be safer than surrounding counties, and provide an equal or better education. It was my privilege to serve the students and citizens of Estill County for over 32 years as a teacher, coach, and administrator for the Estill County Schools. After retiring, I began to look for other ways that I could serve our people and community. I believe that I have the experience and skill set to help make a difference in our county in the coming years. We have a lot of tough decisions that must be made in difficult financial times for small counties like ours. We must balance our budget and tighten the purse strings to make savings but at the same time continue to offer and improve services to our citizens. I believe this is possible and a must if we want to stop the exit of people from our community. I only make one promise, to work hard with the other members of the Fiscal Court to make our community the best it can possibly be. I hope to see many of you in the coming days as I attempt to cover the district. Thank you for your time. I would truly appreciate your support.
