Irvine United Methodist Church

243 Main St., Irvine, KY

Conductor: Dr. Rose D. Daniels

Piano Accompanist: William Robinson

Donations will be accepted at the Performance

Vote for Donnie Watson

Estill County Judge/Executive

A number of issues have been mentioned to me as I have campaigned. I will address four of those in this, my final appeal to you, the voters, before the Republican Primary on May 22nd.

1) **Jobs:** Property was acquired from Southeast Coal Co. for an industrial park during my last term in office. The land was being prepared for Carhartt to build their new factory on when I left office. We have the land and the utilities for other businesses to build on. I will do my utmost to attract any legitimate business to Estill County to provide jobs for our people.

2) **Countywide Zoning:** Outside the city limits, the landowners, homeowners and farmers do not want zoning. We do not want to have to go before a zoning board and get approval to build a house, add on a room, build a barn, put up a shed and make changes to our property and pay an inspector to come out and tell us what we can or cannot do.

3) I am **against a garbage bill** being added onto every homeowner's water bill outside the city limits that has a water meter. Those of us who live in the County have private companies that we pay to pick up our garbage. We do not need the County getting involved with our garbage bill if that is being considered.

4) Most people feel **we need to open our own jail**. I feel we do, too!

If elected to this important office, I will be fair and honest. I will be open to your ideas and suggestions and will work with the Fiscal Court to improve our County for everyone.

Thank you, **Donnie Watson**
