Arthur David Ballard

Republican Magistrate District #1

I would like to make a short statement as to why I decided to place myself into the race to represent the people of District #1 and the people of Estill County as a member of the Fiscal Court. I believe it is our duty to do our part to make our community a better place for all of us to live. I believe this is extremely important to the youth and children of our community. It is vital for all of us to do what it takes to make this a better place to live and raise our families. If we are to keep our young people here, it must be a place that is better than others to live, be safer than surrounding counties, and provide an equal or better education. It was my privilege to serve the students and citizens of Estill County for over 32 years as a teacher, coach, and administrator for the Estill County Schools. After retiring, I began to look for other ways that I could serve our people and community. I believe that I have the experience and skill set to help make a difference in our county in the coming years. We have a lot of tough decisions that must be made in difficult financial times for small counties like ours. We must balance our budget and tighten the purse strings to make savings but at the same time continue to offer and improve services to our citizens. I believe this is possible and a must if we want to stop the exit of people from our community. I only make one promise, to work hard with the other members of the Fiscal Court to make our community the best it can possibly be. I hope to see many of you in the coming days as I attempt to cover the district. Thank you for your time. I would truly appreciate your support.

Elect Russell "Doc" Morris

Estill County Sheriff

To the citizens of Estill County,

Due to the unforeseen death of my son, Russell Morris III, I was unable to attend the Sheriff's forum at the High School. I want to foremost thank everyone for your patience. I apologize and regret that I've not been able to get out to as many residents as I would have liked to. I do want to let everyone know that, I HAVE NOT and WILL NOT be backing out of the Sheriff's race or quitting my job at the sheriff's department; unlike some of you may have heard in the last few weeks. However, in being the only deputy on shift right now, due to Deputy Coffey in the academy, I may not personally be able to get to every house that I would like to. I do have some volunteers who have graciously stepped up to help me with my campaign. If you would like to call me about any questions or concerns you may have, please do so at any time (606)643-6206 or (606)643-5375. I also ask that you continue to keep my family and I in your thoughts and prayers. We have a long road to healing, but we are well on our way. Thank you for the outpouring of love for my family and I. We truly have seen this community come together and support us no matter the political views, thank you once again.

God Bless You All,
Russell "Doc" Morris

The Right Man With the Right Experience
