Thank You,

I cannot express enough gratitude to the great people of Estill County for electing me as the republican candidate for the Estill County Clerk. The last couple of months I have been able to meet and talk to some great citizens of Estill County. I still have a lot of work to do and a lot more people to see before November. I plan to continue to work hard and show this County that I am ready and willing to work hard for you. I would like to say a special thanks to my family and friends for their support and hard work throughout this campaign. It is truly an honor to be in this position. I would like to say thanks to Elizabeth, C.J. and Chris for a good and clean campaign.

Your continued support this November would be greatly appreciated!

Thank You, Brian Crowe
