Maudie's Naughties

Have You Found Him Yet?

Slim comes stumbling down the highway while sipping on some 'shine and he spies a baptismal service going on as he crosses the Clearwater Creek bridge. He ambles down the bank and joins the crowd, where he catches the eye of the preacher.

"Mister," says the pastor. "Are you ready to find the Master?"

"Yess, preacher," says Slim. "I suure am."

The preacher leads Slim down to the cold, clear waters, where he pushes him completely under, then brings him back up.

"Have you found him yet," asks the preacher.

"Nooo," says Slim, "I haven't."

The preacher pushes him under again and glances at the crowd while holding Slim under a little back longer.

"Have you found him yet," asks the preacher as Slim comes up.

"Nooo," says Slim, "I still haven't"

The pastor pushes Slim down for a third time and shakes his head at the crowd as he holds the man down for a long time.

"Well," says the preacher, as he brings Slim out of the water. "Have you found him now?"

"No, I haven't," gasps Slim. "I saw three crawdaddys and found a wheat penny, but I didn't see nobody down there. Are you sure this is where he fell in at?"

Where's The Driver

A man stands on the side of the road hitchhiking on a very dark night in the middle of a storm. As the night goes by no cars pass him. The storm is so strong, he can hardly see a few feet ahead of him. Suddenly he sees a car come towards him and stops.

The guy, without thinking about it, gets in the car and closes the door to realize that nobody is behind the wheel. The car starts slowly. The guy looks at the road and sees a curve coming his way. Scared, he starts praying, and begs for his life. He hasn't come out of shock, when just before he hits the curve, a hand appears through the window and moves the wheel. The guy, paralyzed in terror, watches how the hand appears every time before a curve.

The guy gathers strength, gets out of the car and runs to the nearest town. Wet and in shock, he runs into a bar and asks for two shots of tequila, and starts telling everybody about the horrible experience he went through. A silence envelops everybody when they realize the guy is crying and isn't drunk.

About half an hour later, two guys walk into the same bar, and one says to the other, "Look Bubba, that's the jerk who climbed into the car while we were pushing."

Paraproddokians

The early bird might get the worm, but the second mouse gets the cheese.

Do not argue with an idiot. He will drag you down to his level and beat you with experience.

I want to die peacefully in my sleep, like my grandfather. Not screaming and yelling like the passengers in his car.

Going to church doesn't make you a Christian any more than standing in a garage makes you a car.

Light travels faster than sound. This is why some people appear bright until you hear them speak.

If I agreed with you we'd both be wrong.

We never really grow up, we only learn how to act in public.

War does not determine who is right - only who is left.

Knowledge is knowing a tomato is a fruit; wisdom is not putting it in a fruit salad.

Switching Channels

A man is watching a football game on TV and keeps switching channels back and forth from the football game to a raunchy movie featuring a loving couple in bed.

"I don't know whether to watch them or the game," he says to his wife.

"For goodness sake, watch them," his wife answers. "You already know how to play football!"

Proof That Men Have Better Friends

Friendship among Women:

A woman doesn't come home one night. The next morning she tells her husband that she has slept over at a friend's house. The man calls his wife's ten best friends. None of them knows anything about it.

Friendship among Men:

A man doesn't come home one night. The next morning he tells his wife that he has slept over at a friend's house. The woman calls her husband's ten best friends. Eight confirm that he has slept over, and two say that he is still there.

Complacent

It's that hay cutting time of year. The rain has ceased, and the hay is ready to be cut. I have a lot I need to cut. I was getting equipment ready to go and I had a mowing machine I needed to set on a trailer to move to another farm.

So I decided to move the mowing machine with a small tractor. I chained the mowing machine to the bucket and off I went over a hill. The ground was soft and the tractor lost traction. Then the mowing machine shifted to the right and I found myself on a tractor that was about to flip over. It was REAL close from tipping over.

I got complacent while driving a tractor. I never gave the situation a second thought until the tractor had a back tire off the ground. I thought I knew what I was doing!

Every year farmers get complacent on tractors and equipment. Every year there are farmers who get hurt or die. It is easy to get complacent if we are not careful. You get so used to going through the motions you forget about the dangers

that are around you.

A feeling of being satisfied with how things are and not wanting to try to make them better. Complacency can creep into our walk with Christ. We get comfortable with our walk and don't want to do anything to improve our walk.

When we become a complacent Christian that's when Satan can find his way into your life. That's when you will find your life about to tip over. Complacency is so dangerous in a Christians life.

Never be satisfied with your walk. Keep striving to get closer to God. Read, Study, Pray and always be vigilant
Psalms 1:32
32 For the waywardness of the simple will kill them, and the complacency of fools will destroy them;

Farmers be careful this summer. Don't get complacent and get hurt or even worse. Be aware of your situation and stay safe. This goes for Christians as well.

Until next week, get out and enjoy God's creation!
