Maudie's Naughties

Speeder

A rookie police officer pulled a biker over for speeding and had the following exchange:

- Officer: May I see your driver's license?
- Biker: I don't have one. I had it suspended when I got my 5th DUI.
- Officer: May I see the owner's card for this vehicle?
- Biker: It's not my bike. I stole it.
- Officer: The motorcycle is stolen?
- Biker: That's right. But come to think of it, I think I saw the owner's card in the tool bag when I was putting my gun in there.
- Officer: There's a gun in the tool bag?
- Biker: Yes sir. That's where I put it after I shot and killed the dude who owns this bike and stuffed his dope in the saddle bags.
- Officer: There's drugs in the saddle bags too?!?!?
- Biker: Yes, sir. Hearing this, the rookie immediately called his captain. The biker was quickly surrounded by police, and the captain approached the biker to handle the tense situation:
- Captain: Sir, can I see your license?
- Biker: Sure. Here it is. It was valid.
- Captain: Who's motorcycle is this?
- Biker: It's mine, officer. Here's the registration.
- Captain: Could you slowly open your tool bag so I can see if there's a gun in it?
- Biker: Yes, sir, but there's no gun in it. Sure enough, there was nothing in the tool bag.
- Captain: Would you mind opening your saddle bags? I was told you said there's drugs in them.
- Biker: No problem. The saddle bags were opened; no drugs.
- Captain: I don't understand it. The officer who stopped you said you told him you didn't have a license, stole this motorcycle, had a gun in the tool bag, and that there were drugs in the saddle bags.
- Biker: Yeah, I'll bet he told you I was speeding, too.

Late Night

Pa is leading a city cousin through the woods late one night. The cousin asks, "Is it true that a bear won't attack you if you carry a flashlight?"

"Well," says Pa. "Depends on how fast you carry it."

What's a Breathalyzer

"Shhaaayyy, buddy," asks Joe of a friend sitting on the next barstool. "What's a 'breathalyzer'?"

"Well, I'd have to say it's a bag that tells you when you've drunk way too much," answers the equally-wasted gent.

"Well, whaddya know?" says Joe, "I've been married to one of those for years!"

Permission to Wed

A young man says to his girlfriend's father, "I realize that this is only a formality... but would you mind me marrying your daughter?"

"Who says it's ONLY A FORMALITY?" asks the father angrily.

"Her obstetrician!" replies the young man.

Photog

A car is involved in an accident in a street. As expected a large crowd gathers. A newspaper reporter, anxious to get his story could not get near the car. Being a clever sort, he starts shouting loudly, "Let me through! Let me through! I am the son of the victim."

The crowd makes way for him.

Lying in front of the car is a donkey.

Seconds

Pa grabs his plate at the reunion and walks up to load it up for the fourth time.

"Aren't you embarrassed to go back for so many helpings?" asks Ma.

"Not a bit," Pa replies, "I keep telling them it's for you."

Bus Ride

A drunken man gets on the bus late one night, staggers up the aisle, and sits next to an elderly woman.

She looks the man up and down and says, "If you don't change your ways, I know where you're going."

The man jumps up out of his seat and shouts, "Oh, no. I'm on the bus to Hades and I'm sitting next to Satan's sister."

Ugly Faces

Finding one of her students making faces at others on the playground, Ms. Smith stops to gently correct the child.

Smiling sweetly, the teacher says, "When I was a child, I was told if I made ugly faces my face would freeze like that."

The student looks up and replies, "Well you can't say you weren't warned."

4 Steers and Some Prayer

My oldest son and father went into the cattle business together a few weeks ago. They decided to start small and work their way up. So, they bought four angus steers. The steers weighed about 400 pounds each. The plan is to get them to 800 pounds and sell.

This cattle business deal has been an excellent learning opportunity for my 10-year-old son Jake. He had to present the business deal to my dad. He had to sign a contract stating the responsibilities of each party. He must keep receipts and records. All of which is important when he grows up.

The biggest learning experience came the other night when I got a phone call. The call came in that the cattle are out. We loaded up and headed to the farm at 9:30 at night. As we headed there Jake said a little prayer. Once we arrived we called for the steers and two came running to get some sweet feed. The other two were missing!

We drove around on the mule looking when we saw the two escapees in my granny's yard. Jake yelled, "Thank You Jesus!" We headed towards them and they took off. We hoped they took off back in where they got out. Well, that didn't happen.

We finally caught back up with them in some extremely tall weeds. We would get them moving then lose them in weeds and darkness. After a few hours I saw it was fruitless to continue in the dark trying to get them in. We decided to try it in. Daybreak the next morning.

A call come in around 5:45 a.m., cattle are in your granny's yard.

with his younger brother Josh. It was after midnight before they went to bed, but they had no problem getting up.

We headed back to the farm. Jake was 'a praying his cattle would be ok and go back easily. When we pulled up there were four steers staring at us. They all were in where they needed to be. The two escapees give us a look like it wasn't us out roaming last night. Jake gave another Thank You Jesus!

Now there was a lot of lessons learned quickly with steers on the roam. The biggest and best lesson that Jake learned and it's the one that's the most important. That lesson is the power of prayer! Prayer works! Pray without ceasing!

There is no problem too big for God. We've just got to take our problems and worries to him. It takes prayer and faith, those prayers will be answered. Sometimes our prayers are not answered the way WE want, but he is always listening. We just must talk to him.

Mark 11:24

24 Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.

Until next week, get out and enjoy God's creation!

Winter Seed Mix
1 part thistle,
1 part white millet,
1 part safflower seed,
1 part black oil sunflower seed

All bases are covered with this simple, high-fat seed mix. Put in a feeder or toss on the ground for all birds to enjoy.
