Maudie's Naughties

Pre-Wedding Advice

The night before her wedding, a bride-to-be shows up at Ma's house for advice. "Ma," She says, "I want you to teach me how to make my new husband happy."

Ma takes a deep breath and begins, "When two people love, honor, and respect each other, love can be a very beautiful thing . . ."

"I know all about sex, Ma" the bride-to-be interrupts. "I just want you to teach me how to make a great lasagna."

Wall Street Trader

A Wall Street trader while on the way to the stock exchange opens the door of his BMW, when suddenly a car comes along and hits the door, ripping it off completely.

When the police arrive at the scene, the trader is complaining bitterly about the damage to his precious BMW.

"Officer, look what they've done to my Beeeceemer!!!" he whines.

"You traders are so materialistic, you make me sick!!!" retorts the officer. "You're so worried about your stupid BMW, that you didn't even notice that your left arm was ripped off!"

"Oh my goodness," replies the stock trader, finally noticing his left shoulder where his arm once was. "Where's my Rolex????!!!"

Trip to the Capitol

Trixie was recently visiting Washington, D.C. for the first time. She wanted to see the Capitol building. Unfortunately, she couldn't find it, so she asks a police officer for directions, "Excuse me, officer, how do I get to the Capitol building?"

The officer replies, "Wait here at this bus stop for the number 54 bus. It'll take you right there."

She thanks the officer and he drives off.

Three hours later the police officer returns to the same area and, sure enough, Trixie is still waiting at the same bus stop. The officer gets out of his car and says, "Excuse me, but to get to the Capitol building, I said to wait here for the number 54 bus. That was three hours ago. Why are you still waiting?"

Trixie replies, "Don't worry, officer, it won't be long now. The 45th bus just went by!"

DUI

Sheriff Rocky sees a car with two drunks in it coming down Needmore Hollow while weaving from one side of the road to another. He pulls the car over, walks up to the driver's window and asks, "You drinkin'?"

The driver replies, "You buyin'?"

After the officer arrests both men, he discovers that the car they are driving has been reported stolen. He questions why they stole the car.

"Well," explains the driver. "It was parked outside a cemetery, and I thought the owner was dead!"

"Hey," says Sheriff Rocky, "Where do you live?"

"Nowhere," the first drunk replies.

"And where do you live?" he asks the other.

"We're neighbors," the second one replies. "I live next to him."

"You'd better cut us some slack," one of the men tells the sheriff. "My uncle is with the FBI."

"Oh, yeah," replies Sheriff Rocky, "What division?"

"They caught him in Cleveland."

Baked Congressman

A cannibal is walking through the jungle and comes upon a restaurant operated by a fellow cannibal. Feeling somewhat hungry, he sits down and looks over the menu.

- Broiled Missionary..... \$10.00
- Fried Explorer \$15.00
- Grilled Tracker..... \$20.00
- Baked Congressman \$100.00

The cannibal calls the waiter over and asks, "Why such a price difference for the congressman?"

The cook replies "Have you ever tried to clean one? They're so full of crap it takes all morning to get them clean enough to cook."

Fortune Teller

A local couple is vacationing in New York City when the wife decides to sneak off from her husband to visit a fortune teller she had noticed. In a dark and hazy room, peering into a crystal ball, the mystic delivers grave news.

"There's no easy way to say this, so I'll just be blunt: Prepare yourself to be a widow. Your husband will die a violent and horrible death this year."

Visibly shaken, the woman stares at the woman's lined face, then at the single flickering candle, then down at her hands. She takes a few deep breaths to compose herself; then tells the fortune teller she has one more question, "Will I be convicted?"

Hiding in Plain Sight: Drug & Alcohol Trends Among Teens

There are new technological advancements in the drug and alcohol world, which makes detection much harder. Teens often exhibit some of the riskier

behavior when compared to other age groups.

Community leaders, caregivers, parents and professionals working and living with teens are invited to attend an event about some of the current drug and alcohol trends affecting our youth with guest speaker Trooper Robert Purdy from Kentucky State Police, Post 7.

Hiding in Plain Sight: Drug & Alcohol Trends Among Teens will be presented on Tuesday, September 11 at 6:30 p.m. in the Estill County High School Auditorium.

This event is sponsored by: Eastern Kentucky University Office of Engagement and Regional Stewardship, Estill County Board of Education, Kentucky State Police Post 7 and Marcum & Wallace Hospital.

Light refreshments will be provided. For questions or more information, please contact Arielle Estes at 606-726-2119.
