17th Kiwanis Annual Auction

The Kiwanis Club of Irvine-Ravenna has released the date for its 17th annual Radio and TV auction. It will be held Saturday, October 6th 2018 at the Estill County Middle School.

As we approach this year's auction, the club wishes to extend a sincere "thank you" to the people of Estill County for the manner in which you have so generously supported

our auction. The funds from last year's auction have allowed the club, in its current fiscal year, to invest almost \$15,000 in a variety of programs that serve the people of Estill county. To continue this level of support we need your continued help, so please circle October 6th, 2017 on your calendar and look for more information about the auction in the coming weeks.

Pickin' in the Park, the fall concert series sponsored by the Estill County Public Library and the City of Irvine, will feature Madison Lewis, next Tuesday, September 25, 2018, 6:30-7:30 p.m., at Rising Park on North Court Street, behind the library.

Madison Lewis is a 15 year old female independent americana/jazz musician and songwriter from London in Southeastern Kentucky who writes and composes music with moving lyrics and distinctive chord progressions sure to keep the audience's interest. Her music reaches the darkest depths of the oceans and brings a light to any melody she embraces.

Lewis is no stranger to the spotlight. She has performed at an array of venues across the South, including the legendary Bluebird Cafe in Nashville, TN, Eddie's Attic and Grocery on Home in Atlanta, GA, the Lyric Theatre for the Woodsongs Old Time Radio Hour, and a host of other stages in Kentucky. On December 9, 2017, Madison became the 47th bi-annual Eddie's Attic Shootout winner as well. In a world of cookie-cutter similarities and those jumping on musical bandwagons, Madison chooses to bring music to the table that is uniquely her own. Her songwriting and vocal style proves she is following her own creative course. The best musical creations are the ones that are unique, and Madison is exactly that.
