Estill County Athletics and Bluegrass Orthopedics presented their first annual recipient of the Sports Medicine Person of the Year Award at halftime of the Estill-McCreary Central football game to retired ECHS athletic director Margaret Wood, at right. This award champions an individual who serves selflessly in the care and protection of our student-athletes here in Estill County. She is an Estill County native and 1 of 7 siblings. She is married to KHSAA Hall of Fame baseball coach Danny Wood and mother to Lindsey Wood. She was a school nurse for 14 years before serving as assistant athletic director from 2014-2016 and athletic director from 2017-2019. Mrs. Wood understood the importance of the health and safety of our student-athletes, and through her efforts, she was able to hire Estill's first athletic trainer!
