

Library Happenings

Estill Public Library

by Shannon Horn

Before I get into all of the fun stuff, I just want to let everyone know that we will be closed on Monday, October 14th, but we will be opened back up on Tuesday morning at our normal time! I just wanted to get that out of the way in case someone had something important that they needed to get done at the library.

Since I've been here at the library I have been trying to come up with ideas to get teenagers into the library. It has been over a year now and we are finally starting to make some progress in the teen department. Katelyn had a wonderful idea a few weeks ago about creating a Film Club. I've always been interested in film making, so I was up for the

task. We made flyers and put it out on Facebook, but we weren't really sure how many (or if any) kids would show up.

At the first meeting we had twelve teens. That is quite a bit more than I ever would have expected. The crazy thing is, now they have a short film in the works, set to release on Halloween. They are all super excited about putting this together. Keep an eye out for it on Facebook.

Fall Craft Day

Lesha has a cute fall craft in mind for Saturday, October 12th. There is a sign-up sheet at the library, so if you would like to take part in that call us at 723-3030. This program is for all ages. I have seen an example of the craft and I must say it is really cute. The program starts at 10:00!

Adult Book Club

The Adult Book Club just finished a book and they are on to a new one. The new book is called Arrowood, written by Laura McHugh. It is about

a young woman who returns to her childhood home to try to solve the mystery of the disappearance of her younger twin sisters. There are still copies of the book available, so stop in and check one out.

Building Update

We have had several people ask about the new building project and I am always happy to share with them, so I decided to share what I know with you. If you have been up by the new library building you can see that it has received a coat of paint on the outside. I think it looks amazing and it will look even better when it is complete. What you can't see is that they have begun doing a lot of work on the inside. I don't know everything that is going on, but the last time I was in there, they were prepping the floors and walls to put in the electric! We are moving on up. We are hoping to be in by the end of January. Until then, stop in and see us here on Main Street!

Estill County Courthouse News - October 9th
