ARIES (March 21 to April 19) Seeing the silly side of some really ridiculous situations helps give the Lamb a new perspective on how to handle them. Some important contacts can

be made this weekend. TAURUS (April 20 to May 20) Try to complete your outstanding tasks by midweek. This leaves you free to take advantage of new possibilities -- both professional and per-

sonal -- opening up by week's end. **GEMINI** (May 21 to June 20) With both your creative side and your energy levels rising this week, you should be able to tackle that too-long-neglected project again. A family member might have important news.

CANCER (June 21 to July 22) An explanation you requested seems to be more confusing than enlightening. You should insist on clarifications now, rather than deal with problems that might arise later.

LEO (July 23 to August 22) Your energy levels might be ebbing a bit. But that's no excuse for taking catnaps when you could be working on those unfinished tasks. There'll be time to curl up and relax by week's end.

VIRGO (August 23 to September 22) It's a good time to get those ideas out of your head and into a readable format if you hope to have them turned into something doable. A good friend is ready with worthwhile advice.

LIBRA (September 23 to October 22) Careful -- you might be stepping into dangerous territory if you decide to "exaggerate" the facts too much. Remember: The truth speaks for itself and needs no embellishment.

SCORPIO (October 23 to November 21) Although your workplace successes have earned you many admirers, there are some colleagues who are not among them. Be careful how you proceed with your new proj-

SAGITTARIUS (November 22 to December 21) You might have to go into great detail to explain why you're currently reluctant to make changes to an already prepared plan. Be sure you have all the facts to back yourself

CAPRICORN (December 22 to January 19) Travel plans might still be uncertain. But instead of getting upset about the delay, open yourself up to other possibilities, and begin checking out some alternative destinations.

AQUARIUS (January 20 to February 18) Changing conditions might require you to alter some of your plans. While you might be agreeable to this, be prepared with explanations for those who do not want changes made.

PISCES (February 19 to March 20) Although you might have to deal with some detractors who aren't too kind in their critiques, you gain points when you're willing to stand up and de-

creating a warm and loving environment between yourself and others.
