Well Happy New Year to all! We hope that you had a wonderful holiday season. I haven't written an article for the last couple of weeks, so I feel behind. But I'm sure I'm not the only one that feels that way after coming back to work.

### Children's Programming

#### Storytime

We had so much fun when Santa came to Storytime. I will admit, we had a few that were a bit timid around him, but that is alright! Everyone still had a wonderful time after receiving their gifts and diving into their party treats.

Our Wednesday Storytime has started working on the alphabet again. We are currently learning about the letter A. This last week we talked about types of transportation and how we get around in the community. The Friday Baby & Me Storytime will be reading through some classic nursery rhymes to help our babies learn different spoken sounds! We meet on Wednesdays and Fridays at 10:30!

#### LEGO Club

Our LEGO Club kiddos have been so upset that we haven't been able to display their wonderful creations in the library. Now that Christmas is over and our Christmas village has been put away I can gladly say that we will be putting the LEGO creations back in the display case. LEGO Club is still at

4:15 every Thursday for children ages 6-12.

### Teen Programming

#### Teen Game Night & Fandom Fridays

We have had to change our schedule a bit for our teen programming. Teen Game Night is still every second and fourth Tuesday of the month at 3:30. What have changed is our Fandom Fridays. We were having it every Friday at 3:30, but it has been changed to the first and third Friday of the month.

#### Book Club

Back in December, Katelyn organized a Book Tasting for the Teen Book Club. It was a hit! There were nine teens in attendance and several of them found books that they wanted to check out. The group is currently reading Cornelia Funke's Inkheart. They will be reading The Princess Bride in the month of February.

#### Homeschool Enrichment

Our next homeschool meeting will be held on January 10th at 1:00. All homeschool families are welcome to attend. We have had several really good meetings and I am so ready to get this new year started with them!

### Adult Programming

#### WhoDunIt Book Club

Our WhoDunIt Book Club has a new meeting date! The group will now be meeting on the first Monday of the month. The meeting time is still 5:00. The club is currently reading Silas House's Southernmost. There will not be another meeting until February.

#### Adult Book Club

The Adult Book Club is also reading Southernmost. The book has been such a hit that we wanted both groups to read it while we still had it available. Our Adult Book Club meets the first Tuesday of the month at 1:30.
