**ISIS PICKS A NEW LEADER...**

**Maudie's Naughties**

**Seeing the Doc!**

Joe goes to a psychiatrist the week before Thanksgiving because of fears he has as the holiday approaches.

"What is it that scares you so much about Thanksgiving?" asks the doctor.

"Well," replies Joe. "I've always had this feeling that I was a turkey."

"I see," says the doctor. "How long have you felt this way?"

"Since Mom laid my egg in 1974..."

**Kangaroo Hop**

A kangaroo keeps getting out of his enclosure at the zoo. Knowing that he can hop high, the zoo officials put up a ten-foot fence. He is out the next morning, just roaming around the zoo. A twenty-foot fence is put up. Again he gets out.

When the fence is forty feet high, a camel in the next enclosure asks the kangaroo, "How high do you think they'll go?"

"About a thousand feet," says the kangaroo. "Unless somebody starts locking the gate at night!"

**Running Rabbits**

Two little rabbits are running for their lives in front of a pack of wolves. The one in front yells over his shoulder, "Follow me, I know where there is a place we can hide 'til we outnumber em!"

The other yells back, "Keep running. Did you forget that we are brothers?"

**Unusual**

A woman walks out of a movie theatre with a dog on a leash. A man following behind her stops her and says, "I'm sorry to bother you, but I couldn't help but notice that your dog was really into the movie. He cried at the right spots, he moved nervously in his seat at the boring parts, but most of all, he laughed like crazy at the funny parts. That's amazing!"

"Not really," she replies.

"You don't find it unusual?" he asks!

"No," she replies, "Except that he hated the book!"

**Crayon Mystery**

The kindergarten class is settled down to its coloring books.

Willie comes up to the teacher's desk and says, "Miss Francis, I ain't got no crayons."

"Willie," Miss Francis says, "you mean, 'I don't have any crayons. You don't have any crayons. We don't have any crayons. They don't have any crayons.' Do you see what I'm getting at?"

"Not really," says Willie, "What happened to all them crayons?"

**Talking Clock**

While proudly showing off his new apartment to friends, a college student leads the way into the den. "What is the big brass gong and hammer for?" one of his friends asks.

"That is the talking clock," the man replies.

"How's it work?" the friend asks.

"Watch," the man said then proceeds to give the gong an ear-shattering pound with the hammer.

Suddenly someone screams from the other side of the wall "KNOCK IT OFF, YOU JERK! It's 2am!"

**Three Shots**

A man comes into a bar and orders three shots of Scotch whiskey, which he quickly drinks one after another. When he finishes the last one, he orders three more.

The bartender says, "You know, that isn't good for you."

"I know," the man replies, "Particularly with what I have."

"What do you have?" the bartender asks.

"Empty pockets."

**Ten Jackson Energy Employees Are Retiring**

**Recognizing 252 Years of Service and Dedication**
