

Library Happenings

Estill Public Library

by Shannon Horn

Homeschool Enrichment at WSKV

On Thursday our Homeschool Enrichment group traveled down Main Street to check out the new WSKV station. What a treat that was for all of us. Ethan Moore gave us all kinds of wonderful information about what it means to be in the radio business. Five of the kids and I got to go live on the air. That was such a fun experience. About 14,000 people were listening in. This was a special treat for them and I believe the parents had just as much fun as the kids. So, special thanks to everyone at WSKV for taking us in for the afternoon! Our next homeschool meeting will be on Thursday, November 21st at 1:00.

Baby Art

Since our last Baby Art class was so popular we are hosting another! It will be on Monday, November 18th at 10:30. This time the baby's will be able to take a piece of art home with them. Either visit our Facebook page or

our website to sign your child up. We have the sign-up sheet this time, so we know what supplies we will need to get. If you have any questions call the library at 723-3030.

Nutcracker Sweet

We are going to look into the future now. Can you hear the jingle bells yet? Christmas is only 6 weeks away and while that may be a little overwhelming I want to go ahead and mention two programs that we will have going on in December to celebrate the holiday. First of all, December 18th is going to be an extremely busy day. That will be the day of our Nutcracker Sweet. On that day you can come into the library and get a sweet treat while you enjoy the peacefulness of the library.

Storytime

The 18th is a Wednesday, which means we will be having Storytime. That will be a very special Storytime because Santa will be there to visit. Storytime will be at the same time, 10:30. Santa will also be back on Friday the 20th as well. I will have more information about this over the next couple of weeks.

Update on New Building

We recently had an update on the new building, but

I just wanted to give my perspective on it. It has been a couple of weeks since I have been in the building. They've done a lot since I was there, but what I did get to see was very exciting. In just a few short months we will be moving in and I'm so thankful. When people ask why this new library is so important, we often talk about how it will benefit the community. We will have room for more books, programs and events. I don't know if we have really ever mentioned how it will impact our staff.

When community members come into the library, they only get to see the main library or the meeting room; very rarely does anyone go back into the work area. It is quite a cramped area back there. There are shelves full of books that we don't have room for in the main library, plus all of our equipment for processing books, program supplies and all of our filing cabinets. Oh, and add in five desks. We are on top of each other. Once we get into the new library, not only will we not have to worry about limited space for displaying books, but we will also have more room to work, which will make things a little easier for us as well. That is one reason I'm super excited.

Keep in touch with us! There is so much more coming up!

Estill County Courthouse News
